Entertainment Rigging 2nd Edition Dec 27 2019 This recently released and updated 2nd edition of Entertainment Rigging is the definitive book on the subject.

This premier and highly comprehensive book covers all aspects of arena rigging, from practical shackle details to complex force equations. Although the focus for Entertainment Rigging is the entertainment industry, the information is applicable to many trades that use rigging, such as construction, mining, material handling, logging, longshore work, cranes, and industrial rigging. These 700+ pages, include hundreds of updated drawings, pictures and tables. You will find dozens of formulas which enable working riggers to simply calculate dimensions, forces, loads, and the required strength of rigging equipment. It also contains many rules of thumb which enable safe rigging without calculations. 700 pages, 8.25" x 10.75", softbound Topics Include but are not limited to: Rigging 101? Accident Prevention? Shock Loads & Safeties? Algebra 101? Engineering 101? Deadhangs 101? Center of Gravity? Advanced Deadhangs? Bridles & Bridle Forces? Rated Capacity Table, and many more topics

Emergency and Disaster Planning Manual Oct 29 2022 Plan aggressively to meet any natural disaster head on! Fires, storms, floods--when disaster strikes, do you have a realistic action plan to restore your firm's facilities, help your employees and community recover, and reinstate service to customers! In Emergency and Disaster Planning Manual, Luran G. Kaplan--Dade County distribution operations manager for Florida Power & Light during Hurricane Andrew--delivers a master blueprint for doing just that. Focusing on 8 key planning measures, she gives you the tools to organize your personnel, equipment, procurement, insurance, and other basic needs. . .implement employee preparedness and assistance programs. . .design and manage staging sites to restore transportation, lodging, meals, and other essentials. . .coordinate with federal, state, and local authorities. . .handle accounting and auditing paperwork to satisfy insurers and government agencies. . .and much, much more.
