spirituality to the Western world. Even before she arrived at the ashram of Maharishi Mahesh Yogi, founder of Transcendental Meditation, in Rishikesh, India, a city at the foothills of the Himalayas along the banks of the Ganges River, in 1962, Nancy Cooke de Herrera lived a lifetime of adventure. During the 1950s, she traveled the globe as a goodwill ambassador of the US State Department, giving lectures on American fashion, culture, and customs. But when her beloved husband, Luis, died, de Herrera sought a life of greater meaning. The Maharishi became her guru, mentor, and friend, and in return she served as his

publicist, spreading his message of peace and love wherever she went. In this remarkable autobiography, with a foreword by Deepak Chopra, de Herrera recounts not only her international escapades but also her inner journey to spiritual enlightenment. Trained by the Maharishi, she returned home and taught meditation to troubled youth, HIV/AIDS patients, and celebrities such as Madonna, Sheryl Crow, and Greta Garbo. Her publicity efforts led to the explosion of interest in meditation, yoga, and Eastern spirituality in America. Rich in endearing anecdotes about life at the ashram with famous visitors,

including the Beatles, Mia Farrow, and Mike Love, and pieces of timeless wisdom, *All You Need Is Love* reveals a life lived with compassion, open-mindedness, and the belief that one person can change the world.

All You Have to Do Is Ask Jun 12 2021 A set of tools for mastering the one skill standing between us and success: the ability to ask for the things we need to succeed. Imagine you're on a deadline for a big project, and feeling overwhelmed. Or you're looking for a job, but can't seem to get your foot in the door. Or you're dying for tickets to a sold out concert, and all your leads have gone cold. What do these problems have in common? They can all be solved simply by reaching out to a colleague, friend, or

wider network and making an ask. Studies show that asking for help makes us better and less frustrated at our jobs. It helps us find new opportunities and new talent. It unlocks new ideas and solutions, and enhances team performance. And it helps us get the things we need outside the workplace as well. And yet, we rarely give ourselves permission to ask. Luckily, the research shows that asking—and getting—what we need is much easier than we tend to think. Here, Wayne Baker shares a set of strategies—used at companies like Google, GM, and IDEO—that individuals, teams, and leaders can use to make asking for help a personal and

organizational habit, including:

- A quiz to identify your asking-giving style
- SMART criteria for who, when, and how to ask
- “Plug-and-play ” routines that make requests a standard component of meetings
- Mini-games that incentivize asking within teams
- The Reciprocity Ring, a guided activity that allows people to tap into the giving power of a network

Picking up where the bestselling book Give and Take left off, *All You Have to Do Is Ask* shows us how to ignite the cycle of giving and receiving by asking for the things we need. Advance praise for *All You Have to Do Is Ask* “Asking for help and support has been a key to my success. Wayne

Baker expertly shares how everyone can do it.”—Shellye Archambeau, former CEO, MetricStream, and board director, Verizon and Nordstrom “Wayne Baker shares the formula for driving personal, organizational, and social change by tapping the power of our teams and networks for help. This insightful book is a must-read for anyone seeking practical and proven solutions to make our workplaces and world a better place.”—Noel Tichy, professor, University of Michigan, and author of *Judgment and Control Your Destiny or Someone Else Will* **No More Violence: All You Need To Do Is Speak Up** Oct

24 2019 Domestic violence against women is a prevalent issue. However, determining its full extent is difficult. It could be far higher than stated because many cases of domestic violence against women are not reported. During the COVID-19 lockdown, our country saw a significant surge in incidences of domestic violence. A woman frequently believes that the abuse she experiences is her fault and that she has made a mistake. This conclusion is incorrect; abuse is the fault of the abuser, not the victim. Estimates of violence in our country are higher than official records. Women may fail to report family violence for a

variety of reasons. Because they don't know how to deal with domestic abuse or whom to approach and what are the laws and schemes for their empowerment. In contrast to this point of view, the current book, which is based on research in Doda, contrasts this point of view by shedding light on the types, signs, and causes of domestic violence as well as its effects on women's mental health. Additionally, it brought to light the violence committed by parents against their daughters and the various women-focused schemes run by the Ministry of Women and Child Development that assist women in coping with domestic violence and gaining

independence so that they are not dependent on anyone.

Love Is All You Need Feb 18

2022 From the New York Times bestselling author of *Through a Dog's Eyes*—the inspiration for the PBS documentary—a paradigm-shifting approach to living with and loving our dogs

There are few people who understand dogs better than Jennifer Arnold. Twenty-five years after she founded *Canine Assistants*, a nationally recognized nonprofit that raises and provides service dogs for people with

disabilities, Arnold had an epiphany. She'd always approached the education of dogs with kindness and compassion—eschewing the faux science of fear and domination-based training methods. And she'd always understood dogs to be uniquely, uncannily attuned to their human companions; in fact she depended on it—she knew that the bond that developed between a person and their service dog was the single greatest predictor of that partnership's success and, conversely, failure to bond brought about anxiety and distress in dogs. But it wasn't until recent scientific findings confirmed her hands-on

experience with dogs' intuitive social skills that she was willing to put this bold idea to the test: Dogs who bond with us completely and unconditionally will seek to please us and, with minimal cues, can learn to make remarkably sophisticated decisions about their own behavior. Sure, dogs can be taught commands such as "sit," "stay," and "heel," but even the kindest reward and punishment models were merely manipulating dogs' behavior, rather than unleashing their unique social genius and innate ability to navigate the world. In this groundbreaking, persuasive, and heartfelt book, Arnold shows us how every

dog—no matter their age—can thrive through Bond-Based Choice Teaching. Her proprietary method has been hailed by leading canine behavioral scientists and is being adopted by notable dog trainers, advocates, humane societies, and puppies behind bars programs across the country. For this liberating, revolutionary method to succeed, Arnold says, love really is all you need. Advance praise for *Love Is All You Need* “Jennifer Arnold, who has trained service dogs for the past twenty years for people with physical disabilities, offers a window into the world of ‘man’s best friend.’ Arnold, who believes that dogs are

attuned to their owner’s needs and emotions, shares tips she thinks every dog owner should know.”—ABC News “[Arnold] takes pride in facilitating the powerful relationship between every service dog and its owner—a bond that is as much about companionship and comfort as it is about health and safety.”—Everyday Health “Within the world of dogs and canine behavior there are only a handful of people who truly ‘move the needle’ when it comes to innovation, novel approaches, and intuitive thinking—Jennifer Arnold is one of those rare few. Constantly pushing boundaries of traditional thought, she not only provides fresh

perspectives about how we interact with and learn from man’s best friend, she fearlessly forges new paths that stimulate and engage dog lovers as well as behavior experts and explores possibilities which previously may have seemed out of reach.”—Victoria Stilwell, star of Animal Planet’s *It’s Me or the Dog* and CEO of Victoria Stilwell Positively Dog Training **A Sister's All You Need., Vol. 1 (light novel)** Feb 27 2020 Itsuki Hashima is a novelist who's hopelessly enamored with the idea of little sisters and is constantly surrounded by colorful characters. A world class genius and love-guru who's beauty almost seems a

waste on her. A girl who's constantly troubled by her friendships, love interests, and can't even find refuge in her dreams. A ridiculously talented illustrator. Yoga For Beginners: All You Need To Know About Yoga

Sep 23 2019 : If you are trying to find that inner peace within you and also want to do some form of low impact exercise then "Yoga For Beginners: All You Need To Know About Yoga" is the perfect text for you. The text not only explains what yoga is but goes into the many ways that it can help heal

the mind and soul. The author also highlights the fact that yoga can be practiced by any age group, whether they be young or old or somewhere in between. The author also highlights some of the basic types of yoga and gives a brief description of each. This text is well timed as it has been published in a time when many are seeking less strenuous ways to get the body in shape and to get rid of stress. Yoga has started to take over the Western world ever since the many advantages started to be realized. About the Author: Darren Williams has his sister to credit for the current knowledge that he has about yoga. He used to sit and watch

her going through the paces and he used to wonder what exactly she got from the process. To him it looked like body contortion with no apparent cause. It was he asked her about it that she opened his eyes to the world of meditation and yoga. He realized soon after he started the process that he was so much more at peace within himself and he also felt as if he had more energy. From that point onward he dedicated his evenings to practicing yoga and learning as much as he could from his sister. He also took it upon himself to learn even more by going to a yoga studio in his neighborhood and doing some of his own research at the

library. He then sought to share what he had learned with others and that is how his book came into being.

"A powerful read that fills one

with, dare I say . . . hope?”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SMITHSONIAN MAGAZINE

There is a renaissance blooming in the climate movement: leadership that is more characteristically feminine and more faithfully feminist, rooted in compassion, connection, creativity, and collaboration. While it’s clear that women and girls are vital voices and agents of change for this planet, they are too often missing from the proverbial table. More than a problem of bias, it’s a dynamic that sets us up for failure. To change everything, we need everyone. *All We Can Save* illuminates

the expertise and insights of dozens of diverse women leading on climate in the United States—scientists, journalists, farmers, lawyers, teachers, activists, innovators, wonks, and designers, across generations, geographies, and race—and aims to advance a more representative, nuanced, and solution-oriented public conversation on the climate crisis. These women offer a spectrum of ideas and insights for how we can rapidly, radically reshape society. Intermixing essays with poetry and art, this book is both a balm and a guide for knowing and holding what has been done to the world, while bolstering our resolve never to

give up on one another or our collective future. We must summon truth, courage, and solutions to turn away from the brink and toward life-giving possibility. Curated by two climate leaders, the book is a collection and celebration of visionaries who are leading us on a path toward all we can save.
