**The Pan-German League and Radical Nationalist Politics in Interwar Germany, 1918-39** Mar 22 2022 Through an examination of the Pan-German League - one of Germany's most

prominent radical nationalist groups - and its connections to a range of right-wing organizations between 1918 and 1939, this study provides important new insights into the political fragmentation of the German Right and the Nazi seizure of power. It is the first book to examine in detail the Pan-German League's political activities in the Weimar and Nazi periods. Unlike existing studies that focus primarily on the League's ideology and public pronouncements, this book analyzes the organization's political connections with other prominent right-wing groups. Specifically, it explores Pan-German efforts to reshape the landscape of right-wing politics in the wake of German defeat in World War One and details how the League's actions undermined moderate conservatives and helped to radicalize Germany's largest conservative party, the German National People's Party (DNVP), at the local and national level. The book also sheds new light on the surprisingly contentious relationship between the Pan-Germans and the Nazi Party between 1920 and 1939. This study of the Pan-German League fits with more recent scholarship that emphasizes the political fragmentation of the German Right as an important precondition for the ultimate triumph of Hitler and Nazism in 1933. It will attract readers with an interest not only in the Weimar Republic and Nazi Germany, but also wider issues of German/Central European history, radical nationalism, conservative and right-wing party politics, and the general political history of interwar Europe.

*A Man, A Pan, A Plan* Jul 26 2022 100 Simple Recipes. One Pan. Game On. Do you think that cooking is too hard or not worth the trouble? Do you see the supermarket as a place to pick up frozen meals instead of fresh, healthy ingredients? Have you given up control of your diet to whatever fast food fare is located within your delivery radius? If so, you're missing out on the comfort, satisfaction, pride, wonder, and glory of cooking for yourself and the people you love—not to mention reaping the holistic benefit of

eating home-cooked food as compared to, say, a microwaved TV dinner or grease-laden pizza. Enter Men's Health's A Man, A Pan, A Plan, a book full of practical advice and 100 straightforward recipes that involve tools you already own, ingredients you can easily source, and flavors that will blow your mind while shrinking your gut. From hearty breakfasts like Lemon-Blueberry-Banana Pancakes and party-starting sides like Buffalo Chicken Meatballs to twists on traditional mains like Four-Chile Pork Chops with Grilled Pineapple and unforgettable desserts like Blueberry Cobbler, this book will help you cut stress, prevent mess, and reduce your chances of culinary distress.

Hermes Pan Jun 24 2022 Armed with an eighth-grade education, an inexhaustible imagination, and an innate talent for dancing, Hermes Pan (1909-1990) was a boy from Tennessee who became the most prolific, popular, and memorable choreographer of the glory days of the Hollywood musical. While he may be most well-known for the Fred Astaire-Ginger Rogers musicals which he choreographed at RKO film studios, he also created dances at Twentieth Century-Fox, M-G-M, Paramount, and later for television, winning both the Oscar and the Emmy for best choreography. In *Hermes Pan: The Man Who Danced with Fred Astaire*, Pan emerges as a man in full, an artist inseparable from his works. He was a choreographer deeply interested in his dancers' personalities, and his dances became his way of embracing and understanding the outside world. Though his time in a Trappist monastery proved to him that he was more suited to choreography than to life as a monk, Pan remained a deeply devout Roman Catholic throughout his creative life, a person firmly convinced of the powers of prayer. While he was rarely to be seen without several beautiful women at his side, it was no secret that Pan was homosexual and even had a life partner. As Pan worked at the nexus of the cinema industry's creative circles during the golden age of the film musical, this book traces not only Pan's personal life but also the history of the Hollywood

musical itself. It is a study of Pan, who emerges here as a benevolent perfectionist, and equally of the stars, composers, and directors with whom he worked, from Astaire and Rogers to Betty Grable, Rita Hayworth, Elizabeth Taylor, Sammy Davis Jr., Frank Sinatra, Bob Fosse, George Gershwin, Samuel Goldwyn, and countless other luminaries of American popular entertainment. Author John Franceschina bases his telling of Pan's life on extensive first-hand research into Pan's unpublished correspondence and his own interviews. Pan enjoyed one of the most illustrious careers of any Hollywood dance director, and because his work also spanned across Broadway and television, this book will appeal to readers interested in musical theater history, dance history, and film.

Jet Pan's Memoir Sep 03 2020 Doris Bourgeois-Darling, nee Dorice Leger was born in Moncton , New Brunswick , Canada, and raised by her father and her grandparents in a small village named Saint Marcel. She immigrated to the United States in the early sixties as a young adult; where she became an American citizen and raised her own family. After her retirement from her nursing career, this great grandmother decided to write about her life's experiences for her family's enjoyment. Will there be any deep dark secrets revealed or scandalous activities detected in this simple account of Jetpan's life story? YOU BE THE JUDGE.

*Fresh Pantry* Nov 05 2020 ••\*Original, inventive, and delicious recipes, highlighting multiple uses for some of our most common seasonal ingredients ••\*Based on the author’s popular monthly e-short series ••\*Buy local, be thrifty, and keep a sustainable kitchen Amy Pennington’s bestselling book, *Urban Pantry: Tips & Recipes for a Thrifty, Sustainable & Seasonal Kitchen*, introduced new homemakers to clever cooking concepts and ingredients, provided experienced cooks with organizational inspiration, and helped cooks of all skill levels create sustainable and thrifty kitchens. But while *Urban Pantry* focused on shelf-stable, dried, or preserved goods, *Fresh Pantry* shows cooks how to eat a seasonal diet —fresh vegetables and fruits that will offer your palate a variety of foods in sync with the seasons. As anyone trying to eat locally all year long knows, the winter gets difficult: Walking the “local” aisles of a well-stocked produce section or around your neighborhood farmers market, you find few options — onions, cabbage, and kale, oh my! In summer, of course, the season is bountiful, but the dishes most people make at home tend to be one note — how many times can we eat the same tomato-caprice salad or grilled zucchini? From January to December, *Fresh Pantry* features 120 creative yet healthy and doable recipes centered on 12 choice seasonal vegetables and fruits; accessible and clever advice on growing, storing, and using seasonal ingredients; lush and inspirational photographs; detailed resources for sustainable eating; and the exuberant energy that marked Pennington’s first book. Also available, check out Amy’s e-Shorts of her use of in-season vegetables, month-by-month!

[Historicizing the Pan-American Games](#) Jul 14 2021 The Pan-American Games, begun officially in 1951 in Buenos Aires and

held in every region of the western hemisphere, have become one of the largest multi-sport games in the world. 6,132 athletes from 41 countries competed in 48 sports in the 2015 Games in Toronto, Canada. The Games are simultaneously an avenue for the spread of the Olympic Movement across the Americas, a stage for competing ideologies of Pan-American unity, and an occasion for host city infrastructural stimulus and economic development. And yet until this volume, the Games have never been studied as a single entity from a scholarly viewpoint. *Historicizing the Pan-American Games* presents 12 original articles on the Games. Topics range from the origins of the Games in the period between the world wars, to their urban, hemispheric and cultural legacies, to the policy implications of specific Games for international sport. The entire collection is set against the shifting economic, social, political, cultural, sporting and artistic contexts of the turbulent western hemisphere. *Historicizing the Pan-American Games* makes a significant contribution to the literature on major games, Olympic sport and sport in the western hemisphere. This book was previously published as a special issue of *The International Journal of the History of Sport*.

*The Perfect Cookie* May 12 2021 America's Test Kitchen aggregates many years of cookie baking knowledge, breaking down key steps and recipe techniques in this comprehensive cookbook that features recipes for any cookie you can dream up--from favorite cookie jar classics to new and unique cookies, brownies, bars, and candies for any occasion.

[Pan's Secret](#) Apr 30 2020 Be careful what you wish for! When Andromeda "Rommy" Cavendish finally found her father, she thought it would be the best summer of her life. Even if her father really is a pirate named Captain Hook. But she quickly finds out how wrong she is. Between Pan's secret and her father's thirst for revenge, Rommy once again finds herself on a quest for answers. But this time, the journey leads Rommy and her friends into the

heart of Neverland's terrifying jungles. They must find the only one who has the knowledge that Rommy needs—the Tree Mother who is the source of Neverland's magic. Unfortunately, she might not be talking. If Rommy survives long enough, she might just find her happily ever after, but if she fails, she'll lose it—permanently. If you enjoy fast-paced fantasy adventures with pirates, feisty heroines, and fairytale twists, you'll love Pan's Secret: A Pirate Princess's Quest for Answers, second in the middle-grade fantasy adventure trilogy the Pirate Princess Chronicles. Join the quest and pick up your copy today!

**Cook It in Cast Iron** Apr 10 2021 Learn to cook it all in cast iron! The cast-iron skillet is a sturdy, versatile, traditional kitchen workhorse that 85% of us own but far fewer of us reach for daily, mostly because we have one or two recipes we use it for and otherwise it stays in the back of the cabinet. In this new cookbook, the editors of Cook's Country will show you everything you need to know about cast-iron cookware and the many (and often surprising) dishes you can cook and bake in this multitasker of a pan, from the classic dishes everyone knows and loves like steak, perfect fried eggs, and cornbread, to innovative and inspiring recipes like skillet apple pie, pizza, and cinnamon swirl bread. Learn about this cast iron's history and what makes it uniquely American and let us show you how to shop for, season, care for, and clean this perfect pan.

**Pan-African History** Nov 25 2019 Pan-African History brings together Pan-Africanist thinkers and activists from the Anglophone and Francophone worlds of the past two-hundred years. Included are well-known figures such as Malcolm X, W.E.B. Du Bois, Kwame Nkrumah, and Martin Delany, and the authors' original research on lesser-known figures such as Constance Cummings-John and Duse Mohammed Ali reveals exciting new aspects of Pan-African activism.

**Perfect Pan Pizza** Mar 29 2020 An in-depth guide to pan pizza from baking authority Peter Reinhart, including achievable

recipes for making Detroit-, Sicilian-, and Roman-style pan pizzas and focaccias in a home oven. NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY FOOD NETWORK This new book from bread legend Peter Reinhart is a lushly photographed ode to the pan pizza, a doughy, crispy, crowd-pleasing version of everyone's favorite food that is easy to make in a home oven without specialty equipment like stones and peels. Starting with recipes for three master doughs that can be made with commercial yeast, as well as a brief intro to sourdough starters, Perfect Pan Pizza illustrates how to make several styles of pan pizza including Detroit-style "deep pan" pizza, focaccia and schiacciata, and Roman and Sicilian styles through step-by-step photographs. The pizzas include classic toppings like pepperoni and mushrooms, as well as an exciting variety of recipes like the sandwich-inspired Philly-style Roast Pork and Broccoli Rabe; Reuben pizza; Bacon and Egg with Tomato and Arugula Pizza; Blue Cheese, Balsamic Onion Marmalade, and Walnut Focaccia; and Rosemary Garlic Potato, Baby Kale, and Prosciutto Pizza Al Taglio. With unique recipes, plenty of informative FAQs for beginners, and a permissive and inspiring tone, this book will appeal to both experienced bread bakers and novice home pizza makers alike.

**Pan-genomics: Applications, Challenges, and Future Prospects** Jan 20 2022 Pan-genomics: Applications, Challenges, and Future Prospects covers current approaches, challenges and future prospects of pan-genomics. The book discusses bioinformatics tools and their applications and focuses on bacterial comparative genomics in order to leverage the development of precise drugs and treatments for specific organisms. The book is divided into three sections: the first, an "overview of pan-genomics and common approaches, brings the main concepts and current approaches on pan-genomics research; the second, "case studies in pan-genomics, thoroughly discusses twelve case, and the last, "current approaches and

future prospects in pan-multiomics , encompasses the developments on omics studies to be applied on bacteria related studies. This book is a valuable source for bioinformaticians, genomics researchers and several members of biomedical field interested in understanding further bacterial organisms and their relationship to human health. Covers the entire spectrum of pangenomics, highlighting the use of specific approaches, case studies and future perspectives Discusses current bioinformatics tools and strategies for exploiting pangenomics data Presents twelve case studies with different organisms in order to provide the audience with real examples of pangenomics applicability

Japan's Pan-Asian Empire Aug 22 2019 This book is a study of how the theories and actual practices of a Pan-Asian empire were produced during Japan's war, 1931–1945. As Japan invaded China and conducted a full-scale war against the United States in the late 1930s and early 1940s, several versions of a Pan-Asian empire were presented by Japanese intellectuals, in order to maximize wartime collaboration and mobilization in China and the colonies. A broad group of social scientists – including Rōyama Masamichi, Kada Tetsuji, Ezawa Jōji, Takata Yasuma, and Shinmei Masamichi – presented highly politicized visions of a new Asia characterized by a newly shared Asian identity. Critically examining how Japanese social scientists contrived the logic of a Japan-led East Asian community, Part I of this book demonstrates the violent nature of imperial knowledge production which buttresses colonial developmentalism. In Part II, the book also explores questions around the (re)making of colonial Korea as part of Japan's regional empire, generating theoretical and realistic tensions between resistance and collaboration. Japan's Pan-Asian Empire provides original theoretical perspectives on the construction of a multi-ethnic and multi-cultural empire. It will appeal to students and scholars of modern Japanese history, colonial and postcolonial studies, as well as Korean studies.

*The Pan-Industrial Revolution* Dec 19 2021 The acclaimed author

of Strategic Capitalism presents a provocative new vision of global industry in the age of 3-D printing: “essential business reading” (Kirkus, starred review). With books like *Hypercompetition* and *Strategic Capitalism*, Richard D’Aveni has established himself as a business strategist of uncanny prescience. In *The Pan-Industrial Revolution*, he demonstrates how the advent of industrial-scale 3-D printing is already happening under the radar, and that it will have a far-reaching impact that most corporate and governmental leaders have yet to anticipate or understand. 3-D printing, now called additive manufacturing, has moved far beyond a desktop technology used by hobbyists to churn out trinkets and toys. In this eye-opening account, D’Aveni reveals how recent breakthroughs have been secretly adapted by Fortune 500 companies to revolutionize the manufacture jet engines, airplanes, automobiles, and so much more. D’Aveni explains how this technology will transform the landscape of manufacturing, and the dramatic effect this change will have on the world economy. A handful of massively powerful corporations—what D’Aveni calls pan-industrials—will become as important as any tech giant in re-structuring the global order.

**Origins of Pan-Africanism** Oct 05 2020 *Origins of Pan-Africanism: Henry Sylvester Williams, Africa, and the African Diaspora* recounts the life story of the pioneering Henry Sylvester Williams, an unknown Trinidadian son of an immigrant carpenter in the late-19th and early 20th century. Williams, then a student in Britain, organized the African Association in 1897, and the first-ever Pan-African Conference in 1900. He is thus the progenitor of the OAU/AU. Some of those who attended went on to work in various pan-African organizations in their homelands. He became not only a qualified barrister, but the first Black man admitted to the Bar in Cape Town, and one of the first two elected Black borough councilors in London. These are remarkable achievements for anyone, especially for a Black man of working-class origins in an era of gross racial discrimination and social class hierarchies. Williams died in 1911, soon after his return to his homeland, Trinidad. Through original research, *Origins of Pan-Africanism: Henry Sylvester Williams, Africa, and the African Diaspora* is set in the social context of the times, providing insight not only into a remarkable man who has been heretofore virtually written out of history, but also into the African Diaspora in the UK a century ago.

**Good Housekeeping** Jan 26 2020

**With Fire and Sword, The Deluge & Pan Michael** Sep 23 2019 *With Fire and Sword* is a historical fiction novel, set in the 17th century in the Polish-Lithuanian Commonwealth during the Khmelnytsky Uprising. It gained enormous popularity in Poland, and by the turn of the 20th century had become one of the most

popular Polish books ever. The second book, *The Deluge*, describes the Swedish invasion of Poland in the mid 17th century known as The Deluge, which followed the Khmelnytsky Uprising. The final novel, *Pan Michael*, follows wars between Poland and the Ottoman Empire in the late 17th century.

**The Manufacturer and Builder** Jan 08 2021

Cold Storage and Ice Trade Journal May 24 2022

**One-Pan Wonders** May 31 2020 In *One-Pan Wonders*, you will discover over 130 meticulously tested recipes that deliver fresh, fuss-free meals from a single vessel. These recipes been tailored to highlight each vessel's strengths, from imparting a deep, flavorful sear on chicken breasts to roasting a turkey breast above bread stuffing to turning out supremely tender slow-cooked beef. And each recipe is engineered to ensure every component of the meals turns out perfectly cooked and ready to eat at the same time. The result? An authoritative resource for preparing simple yet satisfying meals seven days a week. When you think about cooking dinner, multiple pots and pans and a lot of multitasking (and cleanup) are probably quick to come to mind. Even a simple meal of chicken and a vegetable can require use of one pan for the chicken and another for the side dish. With this in mind, we set out to streamline dinner with a fresh, modern collection of recipes make the most of your Dutch oven, sheet pan, skillet, roasting pan, casserole dish, and slow cooker to deliver dinner using just one pot (no cheating!) and a minimum of hands-on time. These recipes simplify meal prep, but that doesn't mean we've sacrificed flavor. From Skillet Spanikopita to Sheet Pan Beef Fajitas to Indian-Style Vegetable Curry, we narrowed our ingredient lists to focus on delivering bold, fresh taste in every dish. Each recipe was tested (and re-tested) with the home cook in mind, and only the most flavorful meals made it onto these pages.

*The Lost Continent of Pan* Oct 24 2019 Reveals the Pacific Ur-culture that seeded the ancient civilizations of China, Egypt,

India, Mexico, and Peru • Shows how the Pan diaspora explains the similarities between Gobekli Tepe and Toltec carvings and stone towers in Japan and on Easter Island • Reveals the mother tongue of Pan hidden in shared word roots in vastly different languages, including Quechua, Sanskrit, Japanese, Greek, and Sumerian • Explains the red-haired Caucasian mummies of China, the Ainu of Japan, the presence of “white” humans in early Native American legend, and other light-skinned peoples found in Southeast Asia and the Middle East The destruction of the vast continent of Pan--also known as Lemuria or Mu--in the Pacific Ocean 24,000 years ago was the greatest catastrophe that ever befell humanity. Yet it resulted in a prehistoric Golden Age of arts and technology thanks to the Sons of Noah, who, forewarned and prepared for the disaster, escaped in 5 organized fleets. Theirs was the masterful Ur-culture that seeded China, Egypt, India, Mexico, and Peru, explaining the sudden injection of the same advanced knowledge and sophisticated arts into those widely separated lands. Examining the diaspora from the sunken continent of Pan, Susan B. Martinez finds traces of the oceanic Pan civilization in arts and technologies from canal-works, masonry, and agriculture to writing, weaving, and pottery, but most importantly in the art of navigation, the hallmark of the survivors of the catastrophe. Using archaeo-linguistic analysis, she reveals the mother tongue of Pan hidden in strikingly similar words for royalty, deities, and important places in vastly different languages, including Quechua, Maori, Sanskrit, Japanese, Chinese, Greek, and Sumerian, as well as English through the prefix “pan” which denotes “all-encompassing.” The author reveals how the Pan diaspora explains the mound builders on each continent, the presence of “white” humans in Native American legend, the red-haired mummies found in China, and the Ainu of Japan. She shares recent genetic studies that reveal Polynesian DNA in central Europeans, Mesopotamians, South Americans, and the 9000-year-old Kennewick man and shows how

Pan provides the missing link. She reveals why carvings at Gobekli Tepe are similar to Toltec artistry, why stone towers in Japan and Easter Island are identical, and how the Pacific Ring of Fire was activated. Moving the Garden of Eden from the Fertile Crescent to the South Seas, Martinez strikes down the pervasive view of Atlantis as the source of ancient knowledge and exposes the original unity of mankind on the ancient Pacific continent of Pan.

**Pan's Conquest** Aug 15 2021 Pan's Conquest by Aubrie Dionne "A delightful tale of love lost and found again— and of Gods who must learn to grow beyond their fates. Highly recommended!"—Tiffany Allee Syrinx pulled a fast one on Pan to escape his raging lust. The God of Chastity wasn't about to break her vows and succumb to his temptations. Transported to the twenty-first century, she runs a florist shop - fulfilling her fake, mortal life. Until the breathtaking Parker Thomas hires her to decorate his grand estate for a gala. Five hundred roses? Easy enough. Except Parker makes her feel things she can't ignore... As the God of Fertility, Pan is used to maidens flocking in droves to his pastures. So when Syrinx denies him, he's determined to win the one that got away. He poses as a mortal to get close to her, but he doesn't count on falling hard for his conquest - hard enough to make a life and stay. But Syrinx is falling in love with a man that doesn't exist. Can Pan hide his identity forever, or will the truth tear them apart?

**Towards a Pan-European Telecommunication Service**

**Infrastructure - IS&N '94** Feb 18 2022 This volume constitutes the proceedings of the Second International Conference on Intelligence in Broadband Services and Networks (IS&N '94), held in Aachen, Germany in September 1994. The book addresses the design of telecommunication services in the rapidly changing technological and regulatory environment. The 47 revised papers presented in the volume reflect work done under the CEC RACE

project "Intelligence in Services and Networks" as well as individual research done independently. The volume is organized in 11 chapters, all introduced by surveys by the session chairpersons. Among the topics covered are: the context of IS&N, user interfaces, component models and service creation, TMN implementation, service management, and beyond IN.

**Sheet Pan Cooking \*\*\*Black and White Edition\*\*\*** Feb 27

2020 Quick and Easy to Prepare Baking Sheet Recipes for Everyday Cooking. Simplify Your Life with Oven to Table One-Pan Meals your Family Will Love! \*\*\*BLACK AND WHITE EDITION\*\*\*

Who would have thought? The answer has been in your kitchen all the time! No need for special gadgets or contraptions to come up with a tasty and nutritious meal quickly - and no need for a lot of cleanups after! If you're beginning to tire of soups and stews and miss the taste of crisp, well-browned roasts, it's time to turn to your baking sheet pan. But sheet pan dinners are not limited to meat recipes. You can have vegetarian and seafood dinners as well. Sheet pan meals usually include not only protein sources but also plenty of vegetables. The taste and texture of roasted vegetables may just convince your finicky eaters to appreciate veggies after all. Speed need not sacrifice quality. One sheet pan can contain several servings that can be prepared once and stored for convenient reheating the rest of the week. Ingredients can also be pre-chopped, marinated and frozen so they're ready to use when needed. The sheet pan's high capacity also lets you easily prepare large quantities for family gatherings and the like. Inside, you'll find: Tips for preparing sheet pan meals Wholesome chicken recipes like the Teriyaki Chicken with Vegetables, the Moroccan Chicken with Olives and the Prosciutto Chicken with Baby Tomatoes Satisfying vegetarian recipes like the Tofu with Vegetables, the Ratatouille with Goat Cheese and the Winter Veggies with Tahini-Mustard Sauce Bountiful pork and beef recipes such as the Five Spice Pork Chops with Pineapple & Broccoli, the Simple Savory Pork Roast, The Marinated Lamb

Chops with Roasted Vegetables, and the Garlic-Butter Steak with Veggies Delightful fish and seafood recipes such as the Herbed Fish & Tomatoes, the Shrimp-Asparagus Roast, and the Salmon with Ranch Seasoning All recipes come with a detailed list of ingredients, cooking time, number of servings, easy to follow step-by-step instructions, and nutritional information per serving. Let's start cooking! Scroll back up and order your copy today!

**Searing Inspiration: Fast, Adaptable Entrées and Fresh Pan Sauces** Oct 17 2021 Introducing a new, mix and match approach to seared entrées and fresh pan sauces. Sear, deglaze, enhance, and serve: flavorful dinners can be that simple. In her unique, approachable style, Susan Volland first explains how to skillfully wield a hot skillet to sear entrées, then shows how a sauce can be made quickly in that same hot pan. In more than 60 enticing recipes for seafood, poultry, meats, vegetables, tofu, and eggs, Volland invites home cooks to adapt her recipes for taste, diet, and ingredient availability. Searing Inspiration gives cooks the confidence to invent their own dishes, reintroducing a classic technique to modern tastes and kitchens.

Pan Aug 27 2022 From ancient myth to contemporary art and literature, a beguiling look at the many incarnations of the mischievous—and culturally immortal—god Pan. Pan—he of the cloven hoof and lustful grin, beckoning through the trees. From classical myth to modern literature, film, and music, the god Pan has long fascinated and terrified the western imagination. “Panic” is the name given to the peculiar feeling we experience in his presence. Still, the ways in which Pan has been imagined have varied wildly—fitting for a god whose very name the ancients confused with the Greek word meaning “all.” Part-goat, part-man, Pan bridges the divide between the human and animal worlds. In exquisite prose, Paul Robichaud explores how Pan has been imagined in mythology, art, literature, music, spirituality, and popular culture through the centuries. At times, Pan is a dangerous, destabilizing force; sometimes, a source of fertility

and renewal. His portrayals reveal shifting anxieties about our own animal impulses and our relationship to nature. Always the outsider, he has been the god of choice for gay writers, occult practitioners, and New Age mystics. And although ancient sources announced his death, he has lived on through the work of Arthur Machen, Gustav Mahler, Kenneth Grahame, D. H. Lawrence, and countless others. Pan: The Great God's Modern Return traces his intoxicating dance.
