**100-day Leaders** Dec 29 2022 "In 100-Day Leaders: Making a Difference Right Now in Every School, authors Robert Eaker and Douglas Reeves suggest a new way of thinking about leadership. Whether the project is large in scope, such as changing the orientation of a school to Professional Learning Communities, or smaller in scope, such as the development of formative assessments or new grading practices in a single semester, the 100-Day Leader brings a sense of daily accomplishment, feedback, mid-course corrections, focus, and encouragement to the organization--from the classroom to the board room. Eaker and Reeves offer an integrated approach in which the leader sees connections that may not be apparent to others in the organization. Curriculum, assessment, facilities, transportation, food service, teacher evaluation, board relationships and a host of other complex interactions are at the heart of the 100-Day Leader. This book offers a practical guide for leaders at every level to make immediate transformations in culture, practice, and performance"--

**A Forty-Day Study of John's Gospel** Oct 23 2019 Did Jesus claim to be God? Without question. And he did so repeatedly. That's why John, a member of the "inner circle" of the disciples, wrote his own account of Jesus' time on earth. A Forty-Day Study of John's Gospel answers the question, "Who exactly is Jesus?" and shows how the works and words of Jesus validate his claim that he is God the Son. Other books in this series include A Forty-Day Study of the Biblical Story, volumes one and two; A Forty-Day Study of the Book of Hebrews; and A Forty-Day Study on Sin, Salvation, and Sanctification.

**Youth and Nation-Building in Cameroon. A Study of National Youth Day Messages and Leadership Discourse (1949-2009)** Sep 02 2020 This meticulous and comprehensive documentation of Cameroonian Youth Day Messages and leadership discourse on youth from 1949 - 2009 is a gold mine for researchers, historians and anyone interested in studying youth, politics and society in Africa. The book presents and explores themes and content of Youth Day Messages: how these messages tied in with, or veered away from, key events and issues of the time; how they served as a platform for West Cameroon governments, and the Ahidjo and Biya regimes to articulate their political vision, justify their policies, sell their respective ideologies to the youth; and what lessons could be drawn from them on competing, conflicting and complementary perspectives on youth agency in Cameroon and Africa. Churchill links the Youth Day to ongoing discussions in Africa about the role and place of youths as agents of development in Africa. Most significantly, he finally puts Cameroon's controversial Youth Day in its appropriate historical context - not as a political device created by the Francophone politicians to distort Cameroonian history and erase 'plebiscite day' from the collective memory as Anglophone nationalists claim, but as a British Cameroons colonial legacy, successfully sold to the Ahidjo regime as a day to be commemorated throughout the federation, by leaders of the federated state of West Cameroon. Churchill Ewumbue-Monono, a senior career diplomat, is Minister Counsellor in the Cameroon Embassy in Moscow. A graduate of the International Higher School of Journalism, and the International Relations Institute of Cameroon in the University of Yaounde, he was a 1991-92 Fellow in Public Diplomacy in Boston University, USA. He has served in Cameroon in various professional capacities. Ewumbue-Monono has written extensively on Cameroon's political history, and his books include Men of Courage, published in 2005.

A Forty-Day Study of the Book of Hebrews Aug 21 2019 Can Christians lose their salvation? Are there such things as guardian angels? Can those in heaven see the happenings on earth? How were the Old Testament saints saved since Jesus hadn't been born yet? Jesus said to the thief on the cross, "Today you shall be with me in paradise," but he wasn't raised from the dead until three days later and didn't ascend into heaven until many days after that--did Jesus lie? Using an in-depth study of the book of Hebrews, Dr. Jory explores answers from the Bible for these and a host of other questions about God and the Christian faith.

Biblical commentaries come in all shapes, sizes, and levels of detail and complexity. Dr. Jory's approach is to ratchet down the complexity. It seeks to present material with these questions always in focus: What would I want to learn from the Bible? How would I want it to be taught to me? The material is presented in short lessons structured to be covered over a forty-day period and is geared for both individual and small-group Bible studies.

**A Forty-Day Study of the Biblical Story** Sep 21 2019 There is not much enjoyment in contemplating a single piece from a jigsaw puzzle. It may create some level of interest—but not much. Even looking at three pieces, or even ten pieces, isn't that interesting. What makes a jigsaw puzzle attention-grabbing is the process of figuring out how the pieces fit together. Slowly, a pleasant, unified, comprehensible picture begins to appear. The more complete that image becomes, the more anxious we are to grab another piece and see where and how it fits. In some ways, the books and stories of the Old Testament are like the pieces to a jigsaw puzzle. In and of themselves they create some level of interest—but they don't become attention-grabbing until we begin to see how the individual pieces relate to the whole. For many, the study of the Old Testament may never reach beyond looking at the individual pieces. Nothing fits the pieces together. How is the book of Leviticus connected to the book of Hebrews? How is John's reason for writing his Gospel related to Psalm 2? How do we connect the covenant ceremony of Genesis 15 with the cross—much less understand that ceremony to begin with? Why is the book of Ruth included as part of the Bible? What does it have to do with anything? Or better yet, why do we have the book of Esther—where God is not mentioned at all? What makes each of these important? How are they related, or are they? In short, how is God's story—God's revelation—unified? And that's where *A Forty-Day Study of the Biblical Story* comes in. We journey through Scripture in a way that brings all of the bits and pieces into a unified whole—because our focus is going to be on what makes the Biblical Story whole: Jesus Christ. We examine the Old Testament through the lens of what we learn about Jesus.

**Grading for Equity** Sep 14 2021 "Joe Feldman shows us how we can use grading to help students become the leaders of their own learning and lift the veil on how to succeed. . . . This must-have book will help teachers learn to implement improved, equity-focused grading for impact." —Zaretta Hammond, Author of *Culturally Responsive Teaching & The Brain Crack* open the grading conversation Here at last—and none too soon—is a resource that delivers the research base, tools, and courage to tackle one of the most challenging and emotionally charged conversations in today's schools: our inconsistent grading practices and the ways they can inadvertently perpetuate the achievement and opportunity gaps among our students. With *Grading for Equity*, Joe Feldman cuts to the core of the conversation, revealing how grading practices that are accurate, bias-resistant, and motivational will improve learning, minimize grade inflation, reduce failure rates, and become a lever for creating stronger teacher-student relationships and more caring classrooms. Essential reading for schoolwide and individual book study or for student advocates, *Grading for Equity* provides A critical historical backdrop, describing how our inherited system of grading was originally set up as a sorting mechanism to provide or deny opportunity, control students, and endorse a "fixed mindset" about students' academic potential—practices that are still in place a century later A summary of the research on motivation and equitable teaching and learning, establishing a rock-solid foundation and a "true north" orientation toward equitable grading practices Specific grading practices that are more equitable, along with teacher examples, strategies to solve common hiccups and concerns, and evidence of effectiveness Reflection tools for facilitating individual or group engagement and understanding As Joe writes, "Grading practices are a mirror not just for students, but for us as their teachers." Each one of us should start by asking, "What do my grading practices say about who I am and what I believe?" Then, let's make the choice to do things differently . . . with *Grading for Equity* as a dog-eared reference.

**The Day Approaching** Mar 08 2021 Are You Noticing the Signs of the Times? In the Bible, Jesus spoke about the signs that would make it clear His return is near. What are those signs? And are they evident today? As a Jewish native Israeli who is a Christian, Amir Tsarfati has a distinct perspective that weaves biblical history, current events, and Bible prophecy together to shine light on the mysteries about the end times. From his vantage point in the Middle East and through careful Bible study, Amir points to evidence that informs us the return of the Lord is imminent. In *The Day Approaching*, you will learn... God's plans for the world, Israel, the church, and you that the signs of Christ's return are visible all around us about the smoke screen of deception that will lure people away from truth how even now God is revealing Himself to people and changing their hearts of the wonders that await us in Jesus' future millennial kingdom As you seek hope and clarity about earth's final days, let the Bible alone be the resource you turn to for answers.

**She Reads Truth** Apr 28 2020 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.
