How to Tame a Fox (and Build a Dog) Feb 18 2022 Tucked away in Siberia, there are furry, four-legged creatures with wagging tails and floppy ears that are as docile and friendly as any lapdog. But, despite appearances, these are not dogs—they are foxes. They are the result of the most astonishing experiment in breeding ever undertaken—imagine speeding up thousands of years of evolution into a few decades. In 1959, biologists Dmitri Belyaev and Lyudmila Trut set out to do just that, by starting with a few dozen silver foxes from fox farms in the USSR and attempting to recreate the evolution of wolves into dogs in real time in order to witness the process of domestication. This is the extraordinary, untold story of this remarkable undertaking. Most accounts of the natural evolution of wolves place it over a span of about 15,000 years, but within a decade, Belyaev and Trut’s fox breeding experiments had resulted in puppy-like foxes with floppy ears, piebald spots, and curly tails. Along with these physical changes came genetic and behavioral changes, as well. The foxes were bred using selection criteria for tameness, and with each generation, they became increasingly interested in human companionship. Trut has been there the whole time, and has been the lead scientist on this work since Belyaev’s death in 1985, and with Lee Dugatkin, biologist and science writer, she tells the story of the adventure, science, politics, and love behind it all. In *How to Tame a Fox*, Dugatkin and Trut take us inside this path-breaking experiment in the midst of the brutal winters of Siberia to reveal how scientific history is made and continues to be made today. To date, fifty-six generations of foxes have been domesticated, and we continue to learn significant lessons from them about the genetic and behavioral evolution of domesticated animals. *How to Tame a Fox* offers an incredible tale of scientists at work, while also celebrating the deep attachments that have brought humans and animals together throughout time.

The Boy, the Mole, the Fox and the Horse Jul 14 2021 Streaming on Apple TV+ on Christmas Day #1 NEW YORK TIMES BESTSELLER · WALL STREET JOURNAL BESTSELLER · USA TODAY BESTSELLER “The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy story, the book itself is an object of art.”- Elizabeth Egan, The New York Times From British illustrator, artist, and author Charlie Mackesy comes a journey for all ages that explores life’s universal lessons, featuring 100 color and black-and-white

Terry Fox and Me Aug 22 2019 Celebrating the 40th anniversary of the Terry Fox Marathon of Hope, this picture book biography tells the story of a friendship defined by strength and love. Before Terry Fox become a national hero and icon, he was just a regular kid. But even then, his characteristic strength, determination and loyalty were apparent and were the foundation for his friendship with Doug. The two first met at basketball tryouts in grammar school. Terry was the smallest - and worst - basketball player on the court. But that didn't stop him. With Doug's help, Terry practiced and practiced until he earned a spot on the team. As they grew up, the best friends supported each other, challenged each other, helped each other become better athletes and better people. Doug was by Terry's side every step of the way: when Terry received a diagnosis of cancer in his leg, when he was learning to walk - then run - with a prosthetic leg and while he was training for the race of his life, his Marathon of Hope. Written from Doug's perspective, this story shows that Terry Fox's legacy goes beyond the physical and individual accomplishments of a disabled athlete and honors the true value of friendship.

The Midnight Fox Sep 03 2020 This atmospheric and heartfelt story is one of Betsy Byars' best-loved classics. 'And then, this afternoon,' Uncle Fred said to me, 'you and I'll go after the fox.' Tom, a town boy, is horrified when his parents tell him he has to stay on Aunt Millie's farm while they are away. He finds country life every bit as strange and uncomfortable as he feared. But soon, he discovers a rare black fox with green eyes, living with her cubs in the forest. Suddenly, the summer is full of excitement. That is, until Uncle Fred decides to go after the fox - will Tom save her and her family in time?

Children of the Fox Dec 07 2020 "This stunning tale of betrayal, trickery, and friendship takes the reader on a wild ride." —School Library Journal Ocean's Eleven meets The False Prince in this thrilling heist story for young readers, in which five kids with unusual talents are brought together to commit an impossible crime. Failure is unacceptable ... but success could be deadly. From the bestselling author of the Blackthorn Key series, this magic-infused fantasy brings together a

ragtag group of kids to pull off a crime so difficult, countless adults have already tried and failed. Lured by the promise of more money than they've ever dreamed of, five young criminals are hired to steal a heavily guarded treasure from the most powerful sorcerer in the city. There's Callan the con artist, Meriel the expert at acrobatics (and knives!), Gareth the researcher, Lachlan who can obtain anything, and Foxtail, whose mysterious eyeless mask doesn't hinder her ability to climb walls like a spider. Though their shadowy backgrounds mean that they've never trusted anyone but themselves, the five must learn to rely on each other in order to get the job done. But as Callan has been warned most of his life, it's best to stay away from magic. It can turn on you at any moment, and make you think you're the one running the con game, when in reality you're the one being fooled. Faced with these unsurmountable odds, can the friends pull off this legendary heist, or has their luck finally run out?

Carry Me Home Oct 05 2020 “A poignant and powerful reminder that homelessness is not hopelessness.” —Kirby Larson, author of Newbery Honor book *Hattie Big Sky* “A beautiful, haunting story... It carried my heart away with it.” —Ann Braden, author of *The Benefits of Being an Octopus* “A story about falling through the cracks and finding the light inside that darkness... Absorbing, moving, and deeply truthful.” —Martha Brockenbrough, author of *The Game of Love and Death* Two sisters struggle to keep their father's disappearance a secret in this tender middle grade novel that's perfect for fans of Katherine Applegate and Lynda Mullaly Hunt. Twelve-year-old Lulu and her younger sister, Serena, have a secret. As Daddy always says, “it's best if we keep it to ourselves,” and so they have. But hiding your past is one thing. Hiding where you live—and that your Daddy has gone missing—is harder. At first Lulu isn't worried. Daddy has gone away once before and he came back. But as the days add up, with no sign of Daddy, Lulu struggles to take care of all the responsibilities they used to manage as a family. Lulu knows that all it takes is one slip-up for their secret to come spilling out, for Lulu and Serena to be separated, and for all the good things that have been happening in school to be lost. But family is all around us, and Lulu must learn to trust her new friends and community to save those she loves and to finally find her true home.

Jane, the Fox and Me Nov 05 2020 A New York Times Best Illustrated Book H  l  ne has been inexplicably ostracized by the girls who were once her friends. Her school life is full of whispers and lies - H  l  ne weighs 216; she smells like BO. Her loving mother is too tired to be any help. Fortunately, H  l  ne has one consolation, Charlotte Bront  's Jane Eyre. H  l  ne identifies strongly with Jane's tribulations, and when she is lost in the pages of this wonderful book, she is able to ignore her tormentors. But when H  l  ne is humiliated on a class trip in front of her entire grade, she needs more than a fictional character to see herself as a person deserving of laughter and friendship. Leaving the outcasts' tent one night, H  l  ne encounters a fox, a beautiful creature with whom she shares a moment of connection. But when Suzanne Lipsky frightens the fox away, insisting that it must be rabid, H  l  ne's despair becomes even more pronounced: now she believes that only a diseased and dangerous creature would ever voluntarily approach her. But then a new girl joins the outcasts' circle, G  raldine, who does not even appear to notice that she is in danger of becoming an outcast herself. And before long H  l  ne realizes that the less time she spends worrying about what the other girls say is wrong with her, the more able she is to believe that there is nothing wrong at all. This emotionally honest and visually stunning graphic novel reveals the casual brutality of which children are capable, but also assures readers that redemption can be found through connecting with another, whether the other is a friend, a fictional character or even, amazingly, a fox.

Stone Fox Dec 31 2022 John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is

determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's Book.

In the Year of the Boar and Jackie Robinson Aug 03 2020 A timeless classic that will enchant readers who love Jennifer L. Holm and Thanh Hà Lê, about an immigrant girl inspired by the sport she loves to find her own home team—and to break down any barriers that stand in her way. Shirley Temple Wong sails from China to America with a heart full of dreams. Her new home is Brooklyn, New York. America is indeed a land full of wonders, but Shirley doesn't know any English, so it's hard to make friends. Then a miracle happens: baseball! It's 1947, and Jackie Robinson, star of the Brooklyn Dodgers, is a superstar. Suddenly Shirley is playing stickball with her class and following Jackie as he leads the Brooklyn Dodgers to victory after victory. With her hero smashing assumptions and records on the ball field, Shirley begins to feel that America is truly the land of opportunity—and perhaps has also become her real home.

Stone Fox Study Guide CD-ROM May 24 2022 Willy and his grandfather live on a farm in Wyoming where they grow potatoes. One day Grandfather will not get out of bed or even speak. Willy runs to get Doc Smith, who examines Grandfather and can find nothing wrong with him. She tells Willy that Grandfather has just given up on life. Willy brings in the potato harvest to cheer Grandfather, using only his dog, Searchlight, to pull the plow. He is able to sell the potato harvest just as Grandfather has always done, but still Grandfather does not move or speak. Each winter Willy hooks Searchlight up to an old sled and, daily, they race the distance from their farm to town and back again. One winter day, he returns home to find a 'city slicker' at the farm. The man says he is from the State of Wyoming, and tells Willy that Grandfather owes the state \$500 in back taxes, and that he must pay it or they will lose the farm. Then, when Willy goes to town, he sees a poster advertising the National Dogsled Races. The for winning the race is \$500! Willy decides to enter the race, convinced he and Searchlight can win; but an Indian named Stone Fox also enters the race. Stone Fox has never lost a race. Can Willy and Searchlight beat Stone Fox? Desperate Characters May 12 2021 A Great American Novel -- from the author of *Borrowed Finery*. 'A masterpiece.' Observer 'Inarguably great. Desperate Characters soars above every other work of American realist fiction since the Second World War.' JONATHAN FRANZEN Otto and Sophie Bentwood live childless in a renovated Brooklyn brownstone. The complete works of Goethe line their bookshelf, their stainless steel kitchen is newly installed, and their Mercedes is parked outside. After Sophie is bitten on the hand while trying to feed a half-

starved neighbourhood cat, a series of small and ominous disasters begin to plague their lives, revealing the faultlines and fractures in a marriage - and a society - wrenching itself apart. * A scorching portrait of a 1960s New York marriage which opens out into a brilliant examination of the paradoxes of civilisation. * A classic of American literature from a writer championed and brought back into print by many contemporary greats of American lit - Jonathan Franzen, David Foster Wallace, Andrea Barrett etc. * A Paperback Original * From the author of the memoir, Borrowed Finery, one of the NY Times Best Books of 2001 (only 9 chosen in total) * Published alongside The Widow's Chi

No Time Like the Future Oct 17 2021 INSTANT NEW YORK TIMES

BESTSELLER A moving account of resilience, hope, fear and mortality, and how these things resonate in our lives, by actor and advocate Michael J. Fox. The entire world knows Michael J. Fox as Marty McFly, the teenage sidekick of Doc Brown in Back to the Future; as Alex P. Keaton in Family Ties; as Mike Flaherty in Spin City; and through numerous other movie roles and guest appearances on shows such as The Good Wife and Curb Your Enthusiasm. Diagnosed at age 29, Michael is equally engaged in Parkinson's advocacy work, raising global awareness of the disease and helping find a cure through The Michael J. Fox Foundation for Parkinson's Research, the world's leading non-profit funder of PD science. His two previous bestselling memoirs, Lucky Man and Always Looking Up, dealt with how he came to terms with the illness, all the while exhibiting his iconic optimism. His new memoir reassesses this outlook, as events in the past decade presented additional challenges. In No Time Like the Future: An Optimist Considers Mortality, Michael shares personal stories and observations about illness and health, aging, the strength of family and friends, and how our perceptions about time affect the way we approach mortality. Thoughtful and moving, but with Fox's trademark sense of humor, his book provides a vehicle for reflection about our lives, our loves, and our losses. Running through the narrative is the drama of the medical madness Fox recently experienced, that included his daily negotiations with the Parkinson's disease he's had since 1991, and a spinal cord issue that necessitated immediate surgery. His challenge to learn how to walk again, only to suffer a devastating fall, nearly caused him to ditch his trademark optimism and "get out of the lemonade business altogether." Does he make it all of the way back? Read the book.

Pax Dec 19 2021 New York Times Bestseller * National Book Award Longlist From bestselling and award-winning author Sara Pennypacker comes a beautifully wrought, utterly compelling novel about the powerful relationship between a boy and his fox. Pax is destined to become a classic, beloved for generations to come. Pax and Peter have been inseparable ever since Peter rescued him as a kit. But one day, the unimaginable happens: Peter's dad enlists in the military and makes him return the fox to the wild. At his grandfather's house, three hundred miles away

from home, Peter knows he isn't where he should be—with Pax. He strikes out on his own despite the encroaching war, spurred by love, loyalty, and grief, to be reunited with his fox. Meanwhile Pax, steadfastly waiting for his boy, embarks on adventures and discoveries of his own. . . . Pax is a wonderful choice for independent reading, sharing in the classroom, homeschooling, and book groups. Plus, don't miss Pax, Journey Home, the sequel to the award-winning and modern classic Pax.

Confessions of the Fox Aug 27 2022 A New York Times Editors' Choice: "A mind-bending romp through a gender-fluid, eighteenth century London . . . a joyous mash-up of literary genres shot through with queer theory and awash in sex, crime, and revolution." NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • HuffPost • Kirkus Reviews • Finalist for the Lambda Literary Award • Shortlisted for the Center for Fiction First Novel Prize • "A dazzling tale of queer romance and resistance."—Time Jack Sheppard and Edgeworth Bess were the most notorious thieves, jailbreakers, and lovers of eighteenth-century London. Yet no one knows the true story; their confessions have never been found. Until now. Reeling from heartbreak, a scholar named Dr. Voth discovers a long-lost manuscript—a gender-defying exposé of Jack and Bess's adventures. Is *Confessions of the Fox* an authentic autobiography or a hoax? As Dr. Voth is drawn deeper into Jack and Bess's tale of underworld resistance and gender transformation, it becomes clear that their fates are intertwined—and only a miracle will save them all. Writing with the narrative mastery of Sarah Waters and the playful imagination of Nabokov, Jordy Rosenberg is an audacious storyteller of extraordinary talent. Praise for *Confessions of the Fox* "A cunning metafiction of vulpine versatility . . . an action-adventure tale with postmodern flourishes; an academic comedy spliced with period erotica; an intimate meditation on belonging."—Katy Waldman, The New Yorker "Confessions of the Fox is so goddamned good. Reading it was like an out-of-body experience. I want to run through the streets screaming about it. It should be in the personal canon of every queer and non-cis person. Read it."—Carmen Maria Machado, National Book Award finalist for *Her Body and Other Parties* "A hat tip to *Moby-Dick* . . . a running footnote hall of mirrors to rival Borges . . . one of the most trenchant calls for progressive action that I have read in a very long time."—The New York Times Book Review "An ambitious work of metafiction, a sexy queer love story . . . a bold first novel."—Entertainment Weekly

Data Science for Transport Jul 02 2020 The quantity, diversity and availability of transport data is increasing rapidly, requiring new skills in the management and interrogation of data and databases. Recent years have seen a new wave of 'big data', 'Data Science', and 'smart cities' changing the world, with the Harvard Business Review describing Data Science as the "sexiest job of the 21st century". Transportation professionals and researchers need to be able to use data and

databases in order to establish quantitative, empirical facts, and to validate and challenge their mathematical models, whose axioms have traditionally often been assumed rather than rigorously tested against data. This book takes a highly practical approach to learning about Data Science tools and their application to investigating transport issues. The focus is principally on practical, professional work with real data and tools, including business and ethical issues. "Transport modeling practice was developed in a data poor world, and many of our current techniques and skills are building on that sparsity. In a new data rich world, the required tools are different and the ethical questions around data and privacy are definitely different. I am not sure whether current professionals have these skills; and I am certainly not convinced that our current transport modeling tools will survive in a data rich environment. This is an exciting time to be a data scientist in the transport field. We are trying to get to grips with the opportunities that big data sources offer; but at the same time such data skills need to be fused with an understanding of transport, and of transport modeling. Those with these combined skills can be instrumental at providing better, faster, cheaper data for transport decision- making; and ultimately contribute to innovative, efficient, data driven modeling techniques of the future. It is not surprising that this course, this book, has been authored by the Institute for Transport Studies. To do this well, you need a blend of academic rigor and practical pragmatism. There are few educational or research establishments better equipped to do that than ITS Leeds". - Tom van Vuren, Divisional Director, Mott MacDonald "WSP is proud to be a thought leader in the world of transport modelling, planning and economics, and has a wide range of opportunities for people with skills in these areas. The evidence base and forecasts we deliver to effectively implement strategies and schemes are ever more data and technology focused a trend we have helped shape since the 1970's, but with particular disruption and opportunity in recent years. As a result of these trends, and to suitably skill the next generation of transport modellers, we asked the world-leading Institute for Transport Studies, to boost skills in these areas, and they have responded with a new MSc programme which you too can now study via this book." - Leighton Cardwell, Technical Director, WSP. "From processing and analysing large datasets, to automation of modelling tasks sometimes requiring different software packages to "talk" to each other, to data visualization, SYSTRA employs a range of techniques and tools to provide our clients with deeper insights and effective solutions. This book does an excellent job in giving you the skills to manage, interrogate and analyse databases, and develop powerful presentations. Another important publication from ITS Leeds." - Fitsum Teklu, Associate Director (Modelling & Appraisal) SYSTRA Ltd "Urban planning has relied for decades on statistical and computational practices that have little to do with mainstream data science. Information is still often used as evidence on the impact of new infrastructure even when it hardly contains any valid evidence. This book is

an extremely welcome effort to provide young professionals with the skills needed to analyse how cities and transport networks actually work. The book is also highly relevant to anyone who will later want to build digital solutions to optimise urban travel based on emerging data sources". - Yaron Hollander, author of "Transport Modelling for a Complete Beginner"

Speed-the-Plow Apr 30 2020 *Speed-the-Plow* is an exhilaratingly sharp, comical, disturbing play about the power of money and sex in Hollywood, and how they corrupt two movie producers. *Speed-the-Plow* opened at Lincoln Center to sold-out seats, rave reviews and much fanfare in March 1988—starring Madonna, Joe Mantegna, and Ron Silver—and later moved to and had a long-standing run on Broadway.

The Sword in the Tree Feb 27 2020 Best-selling author Clyde Robert Bulla's classic, finely-crafted Arthurian tale with its sword fights, dark and dangerous dungeon, roguish knaves, action-packed showdowns and tales of dangerous feats, will appeal to emerging readers who are ready for chapter books and reluctant tween readers alike. In the days of King Arthur there stood a mighty oak tree within the walls of a castle. Peace reigned in the castle until the fearsome night when Lionel, long-lost brother of Lord Weldon, returned to cause trouble and unhappiness. It was then that Shan, the son of Lord Weldon, took on the duties of a knight and hid the sword in the hollow of the giant oak. The days that followed were filled with adventures that tried the courage of the young boy. Shan was surprised by bearded robbers in the woods. He met noble knights in plumed helmets, and eventually he even made a trip to high-towered Camelot. His story is filled with the pageantry and color of England in King Arthur's time. It creates a vivid picture of the Knights of the Round Table and the wisdom of King Arthur himself.

Breaking the LSAT Oct 24 2019 The LSAT isn't as hard as you think it is. Really. With his new book, *Breaking the LSAT*, Nathan Fox shows you how to make that statement a reality. In his down-to-earth, often irreverent style, he walks you through another actual LSAT, demystifying the confusing world of logic games, reading comprehension, and logical reasoning. Don't waste time studying old or made-up questions: Nathan calmly and clearly walks you through the actual December 2010 LSAT, breaking down the methods that help you see through the BS and nail every single question on the test, with approaches that carry through when you finally sit down for the big day. By using the strategies that have garnered rave reviews for his first book, *Cheating the LSAT*, he'll show you how to save time on the LSAT and save your energy for the truly challenging questions. It's like a private tutoring session with one of the world's experts. No nonsense. No made-up, trademarked buzzwords. No confusing jargon. And best of all, no pulled punches. Plus, you'll also find out how you can contact Nathan personally and ask him your questions directly. So grab a pencil, pop this book open, and get it on.

Fox and I Mar 22 2022 After receiving her PhD in biology, Raven lived in an isolated cottage in Montana, teaching remotely and leading field classes in Yellowstone National Park. Her only regular visitor was a fox, with whom she developed a friendship and from whom she learned about growth, loss, and belonging.

Fox 8 Jun 24 2022 From the #1 New York Times bestselling author of *Lincoln in the Bardo*, a darkly comic short story about the unintended consequences unleashed by our quest to tame the natural world—featuring gorgeous black-and-white illustrations by Chelsea Cardinal. Fox 8 has always been known as the daydreamer in his pack, the one his fellow foxes regard with a knowing snort and a roll of the eyes. That is, until he develops a unique skill: He teaches himself to speak “Yuman” by hiding in the bushes outside a house and listening to children’s bedtime stories. The power of language fuels his abundant curiosity about people—even after “danjer” arrives in the form of a new shopping mall that cuts off his food supply, sending Fox 8 on a harrowing quest to help save his pack. Told with his distinctive blend of humor and pathos, Fox 8 showcases the extraordinary imaginative talents of George Saunders, whom *The New York Times* called “the writer for our time.”

Life Undercover May 31 2020 INSTANT NEW YORK TIMES BESTSELLER “Fast and thrilling . . . *Life Undercover* reads as if a John le Carré character landed in *Eat Pray Love*.” —*The New York Times* Amaryllis Fox’s riveting memoir tells the story of her ten years in the most elite clandestine ops unit of the CIA, hunting the world’s most dangerous terrorists in sixteen countries while marrying and giving birth to a daughter. Amaryllis Fox was in her last year as an undergraduate at Oxford studying theology and international law when her writing mentor Daniel Pearl was captured and beheaded. Galvanized by this brutality, Fox applied to a master’s program in conflict and terrorism at Georgetown’s School of Foreign Service, where she created an algorithm that predicted, with uncanny certainty, the likelihood of a terrorist cell arising in any village around the world. At twenty-one, she was recruited by the CIA. Her first assignment was reading and analyzing hundreds of classified cables a day from foreign governments and synthesizing them into daily briefs for the president. Her next assignment was at the Iraq desk in the Counterterrorism center. At twenty-two, she was fast-tracked into advanced operations training, sent from Langley to “the Farm,” where she lived for six months in a simulated world learning how to use a Glock, how to get out of flexicuffs while locked in the trunk of a car, how to withstand torture, and the best ways to commit suicide in case of captivity. At the end of this training she was deployed as a spy under non-official cover—the most difficult and coveted job in the field as an art dealer specializing in tribal and indigenous art and sent to infiltrate terrorist networks in remote areas of the Middle East and Asia. *Life*

Undercover is exhilarating, intimate, fiercely intelligent--an impossible to put down record of an extraordinary life, and of Amaryllis Fox's astonishing courage and passion.

All God's Children Apr 22 2022 A timely reissue of Fox Butterfield's masterpiece, *All God's Children*, a searing examination of the caustic cumulative effect of racism and violence over 5 generations of black Americans. Willie Bosket is a brilliant, violent man who began his criminal career at age five; his slaying of two subway riders at fifteen led to the passage of the first law in the nation allowing teenagers to be tried as adults. Butterfield traces the Bosket family back to their days as South Carolina slaves and documents how Willie is the culmination of generations of neglect, cruelty, discrimination and brutality directed at black Americans. From the terrifying scourge of the Ku Klux Klan during Reconstruction to the brutal streets of 1970s New York, this is an unforgettable examination of the painful roots of violence and racism in America.

Mr. Fox Aug 15 2021 Winner of the Hurston/Wright Legacy Award for Fiction One of Granta's Best Young British Novelists From the prizewinning young writer of *What Is Not Yours Is Not Yours*, *Gingerbread*, and *Peaces* comes a brilliant and inventive story of love, lies, and inspiration. Fairy-tale romances end with a wedding, and the fairy tales don't get complicated. In this book, the celebrated writer Mr. Fox can't stop himself from killing off the heroines of his novels, and neither can his wife, Daphne. It's not until Mary, his muse, comes to life and transforms him from author into subject that his story begins to unfold differently. Mary challenges Mr. Fox to join her in stories of their own devising; and in different times and places, the two of them seek each other, find each other, thwart each other, and try to stay together, even when the roles they inhabit seem to forbid it. Their adventures twist the fairy tale into nine variations, exploding and teasing conventions of genre and romance, and each iteration explores the fears that come with accepting a lifelong bond. Meanwhile, Daphne becomes convinced that her husband is having an affair, and finds her way into Mary and Mr. Fox's game. And so Mr. Fox is offered a choice: Will it be a life with the girl of his dreams, or a life

with an all-too-real woman who delights him more than he cares to admit? The extraordinarily gifted Helen Oyeyemi has written a love story like no other. *Mr. Fox* is a magical book, endlessly inventive, as witty and charming as it is profound in its truths about how we learn to be with one another.

Send for Me Jul 26 2022 A NEW YORK TIMES NOTABLE BOOK • NEW YORK TIMES BESTSELLER • An achingly beautiful work of historical fiction that moves between Germany on the eve of World War II and present-day Wisconsin, unspooling a thread of love, longing, and the powerful bonds of family. • A TODAY SHOW #ReadWithJenna BOOK CLUB PICK! Based on the author's own family letters, *Send for Me* tells the story of Annelise, a young woman in prewar Germany. Growing up working at her parents' popular bakery, she's always imagined a future full of delicious possibilities. Despite rumors that anti-Jewish sentiment is on the rise, Annelise and her parents can't quite believe that it will affect them; they're hardly religious. But as she falls in love, marries, and gives birth to her daughter, the dangers grow closer. Soon Annelise and her husband are given the chance to leave for America, but they must go without her parents, whose future and safety are uncertain. Two generations later in a small Midwestern city, Annelise's granddaughter, Clare, is a young woman newly in love. But when she stumbles upon a trove of the letters her great-grandmother wrote from Germany after Annelise's departure, she sees the history of her family's sacrifices in a new light, leading her to question whether she can still honor the past while planning for her future.
