Paul's Intercessory Prayers Oct 24 2019 A study of the communal worship and private prayers of the early Christian Church, in particular the intercessory prayer passages in Paul's seven epistles. Professor Wiles is concerned to discover what these prayers reveal about Paul's ministry and his apostolic strategy. Were his assurances that he was praying continually for his readers merely polite expressions? Were his requests for their prayers sincere and serious? How did this affect his relations with the churches and his influence on them? To answer these questions the book makes a thorough analysis of the prayer passages in the light of ancient epistolary and liturgical style. It places the passages within the structure of each letter, and relates them to the dynamic situation for which each was written.

Celebration of Discipline Jun 12 2021 In the twenty years since its publication, *Celebration of Discipline* has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, *Celebration of Discipline* explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities--and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. *Celebration of Discipline* will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

For anyone with this ministry in their local church, here is a complete companion handbook that includes: a simple theology of intercessory prayer; an explanation of its purpose within the liturgy and its relation to the readings of the day; the difference between public and personal prayer; a guide to writing intercessory prayers that connect with the whole service; technical advice: use of language, addressing God, vocal expression; common errors to avoid: excessive length or detail, breaches of confidence; prayerful preparation; using other resources; developing a personal style; and, ready to use intercessory prayers.
