Harry Potter’s narrative techniques are rooted in the western literary tradition and its allusiveness provides insight into Rowling’s fictional world. Each chapter of *Literary Allusion in Harry Potter* consists of an in-depth discussion of the intersection between Harry Potter and a canonical literary work, such as the plays of Shakespeare, the poetry of Homer, Ovid, the Gawain-poet, Chaucer, Milton and Tennyson, and the novels of Austen, Hardy and Dickens. The two artists would never have guessed that the graphic props they designed for the films—including the Hogwarts acceptance letter, Marauder’s Map, Daily Prophet newspaper, The Quibbler and Weasleys’ Wizard Wheezes—would become cultural icons loved by Wizarding World fans around the world. Eight years later, the pair formed their own design studio, MinaLima, and expanded their work to include the graphics for the Wizarding World of Harry Potter—Diagon Alley and Hogsmeade at Universal Orlando Resort and the *Fantastic Beasts* film series. To showcase their treasury of designs, the studio has opened House of MinaLima, its immersive art galleries and shops in London and across the world. The Magic of MinaLima is an illustrated history and celebration of Mina and Lima’s twenty-year evolution and groundbreaking vision. Their wondrous creations illuminate the Wizarding

World as never before, and their commentary offers insights into the imaginative thinking that shaped their designs. With more than 700 entries, this book is packed from cover to cover! J.K. Rowling's collection of mystical multitudes is what makes the wizarding world so enchanting. To dive into Harry's story is to immerse yourself in the richness of a magical universe filled with wizarding history, culture and lore. A world of witches, wizards, owls, elves, non-magical people, anti-non-magical-people people, folks who can talk to snakes and snakes who used to be folks. There are mind-readers, shape-shifters, centaurs, giants, ghosts (nearly headless and fully formed) and one enormous, extremely ill-tempered tree. This massive tome details every character created by J.K. Rowling and appearing in the official Harry Potter canon of books, movies and plays. Each entry highlights one character, where you will find details of when the character was first mentioned, appearance, wizard school, house, patronus, wand, related family members, skills and achievements, personal history and more. The Compendium also includes genealogical charts and family trees for the major characters, world maps detailing important locations, homes and schools, as well as charts detailing alliances between characters. Through classroom activities, wizard rock concerts, and organizations like the Harry Potter Alliance, Harry Potter fans are using creativity to positively impact the world. This collection of essays and interviews examines how playful fandom--from fanfiction to Muggle quidditch, cosplay, role-playing games, and even Harry Potter burlesque--not only reimagines the canon but also challenges consumerism, questions notions of identity, and fosters participatory culture. The contributors explore issues applicable to fan studies and performance studies at large, such as the role of performance, the nature of community, and questions of representation and ownership in the digital age. Presented in three parts, the essays discuss discrepancies between sanctioned versions of Harry Potter and fan creations, the reenactment and reinterpretation of the original narrative in fan performance, and collaborative and participatory performances that break down the boundaries between actors and audiences.
