Unfortunately, apart from being gay, single, and really, really in need of a date for a big event, Luc and Oliver have nothing in common. So they strike a deal to be publicity-friendly (fake) boyfriends until the dust has settled. Then they can go their separate ways and pretend it never happened. Slavery Of Faith...the quietly kept story of a young woman's escape through the jungles of Jonestown, Guyana the morning of the massacre November 18, 1978 and her struggles to live in the aftermath. November 18, 2008 marks 30 years since the Jonestown, Guyana Massacre/Suicides and the death of its founder, the Reverend Jim Jones. Escaping Jonestown, Guyana the morning of November 18, 1978 with nine others, Leslie Wagner-Wilson then twenty one years old, trekked thirty seven miles through the jungle with a 40-pound care package strapped to her back with a sheet, her son, later to be known as the youngest survivor of Jonestown. That evening, she would be told that Jonestown was gone along with her plan to escape and return with her father, Richard Wagner who was a part of the Concerned Relatives to free the rest of her family. Amongst the carnage would be her husband, mother, brother, sister, niece, nephew, sister in law, brother in law and the friends she had grown up and loved since 13. Slavery of Faith reveals the life of a thirteen year old coming of age in the heart of People's Temple Disciples of Christ Church where the pastor Jim Jones, exhorted his followers to consider him divine and to call him "Father" while he touted his extra-marital affairs from the pulpit. The world of Jim Jones was one of inverted ideals, isolation and alienation. However, what began as a church that appealed to peoples inner spirit to help others, was turned into a living hell. Yet it was a place she would go, half a continent away, to be with her 2 year old son, who'd been taken to Jonestown by Jim Jones as he made his exodus to Guyana. It shares the horrors of Jonestown - the labor punishment squads, suicide drills, sleep deprivation, drugging, and humiliations. It also takes the reader through the escape that she says was revealed to her in the spirit. Thirty years since Jonestown, Slavery of Faith also chronicles her return to the U.S. under a veil of secrecy in fear of the "death squads", her fight to maintain her faith in her most darkest hours: suffering survivors guilt, drug addiction, a family suicide, and finally redemption. It shares her journey through psychological and spiritual jungles to reach a place of remembrance-- to "live their love and not their deaths." Faith has allowed her the resiliency to as she states "tuck and roll" and discover that through pain, tragedy and joy, her life has found divine order. Red Storm by Vanessa Y. Reed The author Vanessa Y. Reed was inspired to write Red Storm by God through His Holy Spirit. She clearly remembers the day God spoke to her, sitting at work and feeling empty because she just lost her mom. God said to the author, "Write a book," and the author looked puzzled – she knew it was God's voice and His prompting that was leading her, but why write a book? The author asked God, "Write a book about what?" God replied, "About your life." The author felt she didn't want her life on display and, furthermore, who would be interested in hearing about a survivor of molestation, domestic violence and drug addiction? The author asked God, "What do I say?" God said, "Tell the truth." The author asked God, "Where do I start?" God said, "From the beginning." Red Storm is inspired by true and actual events. Writing this book was very painful. So many memories were brought to the surface. Having been beaten, battered, abused, feeling hopeless, and wanting to die, the author cried out to God. At one point while writing this book, the author could actually remember the smell of one of her molester's cigarette-stench breath. Some of the memories made the author cry while writing this book. The author now understands why God had her write her life story. Mainly to help those who are still suffering especially in silence and to let others know that if you seek God, He will answer your prayers. He promised He would never leave nor forsake us. This book is a living testament to the Grace, Mercy, and favor God gives over our lives. If one life is changed or touched by the author's testimony then she's touched many. Able to see spirits, or Spirit People, at an early age, Marcia's first work is a memoir of her early years and of her longtime spirit companion, Sammy. Telling a story set in Bonnybridge, Scotland, in the 1950s, Marcia paints a vivid picture of growing up in a family of ten, in which it was natural for her to have playmates that her family sometimes couldn't see. Much of her early life would later set the stage for her successful career as a medium. Marcia recounts raucous adventures with her friends and family—accidentally becoming the leader of a girl fight gang, enduring a mishap with hair rollers, coming into early adulthood, and working through school—all with a mischievous best friend who had a habit of playing pranks and of being unseen! Through it all, Marcia spins her story with frank, honest humour and a refreshingly grounded perspective. Lockhart, author of the highly acclaimed, New York Times bestseller We Were Liars, which John Green called "utterly unforgettable," comes The Boyfriend List, the first book in the uproarious and heartwarming Ruby Oliver novels. Ruby Oliver is 15 and has a shrink. She knows it's unusual, but give her a break—she's had a rough 10 days. In the past 10 days she: lost her boyfriend (#13 on the list), lost her best friend (Kim), lost all her other friends (Nora, Cricket), did something suspicious with a boy (#10), did something advanced with a boy (#15), had an argument with a boy (#14), drank her first beer (someone handed it to her), got caught by her mom (ag!), had a panic attack (scary), lost a lacrosse game (she's the goalie), failed a math test (she'll make it up), hurt Meghan's feelings (even though they aren't really friends), became a social outcast (no one to sit with at lunch) and had graffiti written about her in the girls' bathroom (who knows what was in the boys'?!). But don't worry—Ruby lives to tell the tale. And make more lists. I was twenty years old and still a virgin, and wanted to stay that way until marriage. My boyfriend and I had been dating for six months and I was proud of him for respecting my wishes. He was planning to propose to me once he had saved up enough for a ring. No matter how horny we got, we promised each other to wait until our wedding night. It was hard for him, of course, but I was so happy I had found a guy who respected me. But to be honest... I was also starting to have second thoughts. My boyfriend wasn't exactly my type, and it made me ask myself, "Do I want to spend the rest of my life with this guy?" His father, on the other hand, was so masculine, sexy, and quite simply one of the hottest alpha males I'd ever met. I had a thing for him the moment I met him, and one day, when my boyfriend and I drove separately to his father's house to meet him for a cookout, I got there about an hour early, since my boyfriend hadn't finished work yet. One thing led to another, and before I knew it my taboo fantasy was coming true. My boyfriend's dad started kissing me, and then he began to undress me... I couldn't believe I was being so bad, but it felt so good to be taken long, hard, and unprotected by my boyfriend's dad. keywords: hot, naughty, sex, short story, anal stories, first time, untouched, virgin erotic romance, domination and submission, cheating, dirty, hardcore, affair, xxx, kinky, fertile, creampie Love and Health is a classic account of good triumphing over evil, of being given a lemon and making lemonade. It is an intimate sharing of a success story that started with anger and ended in love. Indeed, it is the tale of a personal defeat that developed into a program of love so timely and unique that for one bright shining moment it profoundly changed a university and a hospital and the people who worked there. Dr. Jerry Ainsworth was an administrator at his university when he became embroiled in a conflict with his administration. The battle became so intense and hostile that he was relieved of his administrative post and assigned a menial, punitive position. This dismissal angered him to such a degree that he started a movement to oust the president, or, if not to get rid of him, at least to embarrass him or weaken him politically. After months of seething with anger, he developed a life-threatening medical condition that doctors told him was a direct result of anger and could soon cause his death. Astonished, he delved into existing research literature to determine if anger could actually kill. Not only did he learn that it could, he was equally surprised to discover evidence confirming the healing effects of love and of similar positive emotions. Dr. Ainsworth immediately incorporated these findings into his own life, alleviating all symptoms of anger and pioneering the development of an undergraduate college course on love and health. Although colleagues were initially apprehensive, apathetic, and even pessimistic toward such an idea, student reactions were exactly the opposite. His classes were so successful that he started a graduate course along similar lines. Have you ever been? Are you now? I am the Light of the World; He who follows me Shall not walk in darkness But have the light of Life. John 8:12 As snowflakes fall like little icings, I smile at him and feel an unmistakable spark. And I realise I don't just fancy the (taut, muscular) arse off this man – a man who probably doesn't even know I exist – but I actually like him... And while the gifts make Rowan feel festive – glittery bubble bath, anyone? – what she really wants to unwrap is the guy who delivers them, Alex. Rowan has no clue how to put her heartache behind her and get his attention. Is she brave enough to open the door in mid-December wearing nothing but her new sexy lingerie and shiny lip gloss?
