are well the lord prompted me to share a few bitcoin related
dreams and i believe they are helpful in preparing for bull and
bear crypto markets please take these dreams to prayer for those
who have commented on my previous posts i cannot currently
reply to comments z3 is an efficient smt solver with specialized
algorithms for solving background theories smt solving enjoys a
synergetic relationship with software analysis verification and
symbolic execution tools this is in many respects thanks to the
emphasis on supporting domains commonly found in programs
and specifications research the bmw z3 and learn about its
generations redesigns and notable features from each individual
model year
