This student book provides complete coverage of the Edexcel IGCSE business studies specification, so you can be sure you and your students have all the material you need. This textbook has been revised to meet the requirements of the new GCSE specifications and the changing world of Business. It is also a useful resource for students taking other examinations at 16+.

The aims at the beginning of each unit help students map out what they need to know, while a clear, well-illustrated text caters for the needs of a wide ability range. Case studies and other exercises test understanding. Summaries of key words and ideas are an aid to revision and suggestions for coursework provide guidance for examination candidates. Extension questions are designed to test the more able students. This volume covers the 2006 subject specifications for all exam boards. The text is laid out in 'sound bite' boxes to aid recollection, with clearly labelled diagrams to add visual clarity and further demonstrate the subject matter. Provides the complete revision experience for GCSE Business Studies by taking students through a cumulative 3 stage process: building knowledge, revising knowledge and applying that knowledge to succeed in exams. All the key facts are covered to consolidate learning and fill any gaps. There are specially designed sections to check progress and increase confidence from beginning to end of the revision process. There are lots of opportunities to practise exam technique so students can gain the confidence to improve their exam performance and maximise their grades. A student-friendly textbook that closely matches the specification from Edexcel and provides comprehensive topic coverage. GCSE Business Studies is divided into eight sections, which are in turn divided into units. Each unit has a brief introduction followed by a Business in context section, which presents a real world or realistic setting for the topic covered. Questions which follow help students to understand the implications of the topic. There are also activities which encourage students to explore the topic in more detail and which

support the development of key skills. Each unit contains definitions of key terms and ends with a summary of the topic covered. Contains coverage of core content from the GCSE Business Studies syllabus. This title is meant for use alongside main texts, or used independently. It features mapping grids that match each syllabus to the essential knowledge. It includes practice questions for each business area. The bestselling textbook for students taking Business Studies examinations at GCSE. Suitable for all specifications, this text includes a wealth of case studies and activities based on contemporary businesses.
