Geth Montego, zero o'clock begins on March 11, 2020. By June, she wonders if it will ever end. "An insightful, eye-opening, and inventive story. C.J. Farley has penned a novel that sheds an important light on real issues facing young people today." --Angie Thomas, author of *The Hate U Give*

"Zero O'Clock is a beautiful and timely YA novel that is both heartbreaking and whip smart, a glimpse into the world of virtual friendship, classrooms, and pop stardom." --Jeanne McWilliams Blasberg, author of *The Nine*

"Thoughtful, provocative, and pounding with the fast-paced beat of a sharp-witted adolescent mind, Zero O'Clock is the story of a Jamaican-American teen girl at the early epicenter of the COVID-19 pandemic in New Rochelle, New York. C.J. Farley has created an irresistible heroine in Geth Montego. Simmering with justifiable anger at everything from the cancellation of her senior prom to racial injustices and police brutality, Geth manages to overcome grief, anxiety, and confusion to discover a new sense of herself and her ability to create change." --Karen Dukess, author of *The Last Book Party*

"Zero O'Clock seems to have a direct line into the mindset of a modern teenager. I enjoyed it immensely!" --Alex Wheatle, author of *Cane Warriors*

In early March 2020 in New Rochelle, New York, teenager Geth Montego is fumbling with the present and uncertain about her future. She only has three friends: her best friend Tovah, who's been acting weird ever since they started applying to college; Diego, who she wants to ask to prom; and the K-pop band BTS, because the group always seems to be there for her when she needs them (at least in her head). She could use some help now. Geth's small city becomes one of the first COVID-19 containment zones in the US. As her community is upended by the virus and stirred up by the growing Black Lives Matter protests, Geth faces a choice and a question: Is she willing to risk everything to fight for her beliefs? And if so, what exactly does she believe in? C.J. Farley captures a moment in spring 2020 no teenager will ever forget. It sucks watching the world fall apart. sometimes you have to start from zero. Discover the art of Pixar's favorite characters through this miniature collection of sketches, paintings, film stills, and more. Helping parents and teachers recognise the needs of children who are the manipulators, the negotiators, the debaters, the competitors, the dare devils and the passive resisters of this world. What would it be like to have to parent Bart Simpson or Angelica Pickles? Every day, many parents and teachers struggle with challenging (and lovable) children who have wilful personalities. these are often kids who are stubborn, defiant, determined, free-spirited or just plain difficult. Yet while they may be hard work, they are often the movers and shakers of the future. Many of history's great achievers, political leaders and national figures were forceful children. How can parents and teachers learn to manage these kids, and help them to change and develop the positive life habits - including an awareness of others, dealing with anger, staying focused and forming true friendships - that they sorely need? In this book he helps parents and teachers recognise the needs of children who are the manipulators, the negotiators, the debaters, the competitors, the dare devils and the passive resisters of this world. He shows how parents can create change in the family and how teachers can create change in the classroom (so that these children do not dominate). Parents may have to live with their one headstrong child, but teachers often face dozens of them every day! So, to assist them, Andrew Fuller has also included a special supplement focusing on their particular needs. Mater loves to have fun. But he's not always as careful as he should be. Luckily, he has his best buddy, Lightning McQueen, to look out for him! This full-color Little Golden Book features all the characters from the blockbuster movie Cars in an action-packed, brand-new story. In this volume of 15 articles, contributors from a wide range of disciplines present

their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward. Pixar Animation Studios presents *The Art of Cars 3*, a behind-the-scenes look at the concept art from the latest film in the popular *Cars* series. Fascinating storyboards, full-color pastels, digital paintings, and more offer a unique perspective into the beloved world of Lightning McQueen and his friends, new and old. It's Pixar's first feature film driven by a female lead and its first set in an ancient historical period. Against a backdrop of castles, forests, and highlands, *Brave* follows the fiery Merida as she clashes with

the duty of her royal life and embarks on a journey through the rugged landscape of the dark ages of Scotland. At once epic and intimate, the latest Pixar masterpiece weaves a story of magic, danger, and adventure and the fierce bonds of family. Featuring behind-the-scenes interviews with the film's many artists and filmmakers, *The Art of Brave* showcases the gorgeous concept art that went into the making of this movie, including color scripts, storyboards, character studies, environment art, sculpts, and more. A Foreword by Brenda Chapman and Mark Andrews, the film's directors, and a preface by Chief Creative Officer John Lasseter shed light on the creation of this landmark film.

In *Monsters, Inc.* (2001), Pixar Animation Studios introduced audiences to the #1 scaring team, Mike and Sulley, and the monstrous world behind our bedroom closet doors. In this prequel to the much-loved classic, Mike and Sulley meet for the first time at Monsters University—where they are joined by a few familiar faces and a host of delightful new characters—as they seek to attain degrees in scaring. Author Karen Paik goes behind the scenes to interview the film's many artists for the ultimate inside look at the conception and production of this highly anticipated film. Featuring full-color concept art including character sculpts, color scripts, storyboards, and more, *The Art of Monsters University* fully explores the process of creating this new and expanded Monsters universe.

Poetry. R E D is an erasure of Bram Stoker's *Dracula*. A long poem in 27 chapters, *R E D* excavates from Stoker's text an original narrative of violence, sexual abuse, power dynamics, vengeance, and feminist rage while wrestling with the complexities of gender, transition, and monsterhood. Relive the thrilling story of *Cars 3* in this storybook-and-CD set featuring character voices and action-packed sound effects! Based on Disney/Pixar *Cars 2*, this Step 2 reader starring Lightning McQueen and Mater is sure to be a hit with children ages 4 to 6. Step 2 readers use basic vocabulary and short sentences to tell simple stories. For children who recognize familiar words and can sound out new words with help. From an adventurous balloon ride above the clouds to a monster-filled metropolis, Academy Award®-winning director Pete Docter ("*Monsters, Inc.*," "*Up*") has taken audiences to unique and imaginative places. In Disney•Pixar's original movie "*Inside Out*," he will take us to the most extraordinary location of all—inside the mind. Growing up can be a bumpy road, and it's no exception for Riley, who is uprooted from her Midwest life when her father starts a new job in San Francisco. Like all of us, Riley is guided by her

emotions – Joy, Fear, Anger, Disgust, and Sadness. The emotions live in Headquarters, the control center inside Riley's mind, where they help advise her through everyday life. As Riley and her emotions struggle to adjust to a new life in San Francisco, turmoil ensues in Headquarters. Although Joy, Riley's main and most important emotion, tries to keep things positive, the emotions conflict on how best to navigate a new city, house and school. In this groundbreaking and illuminating film, Pixar Animation Studios examines the extraordinary depths of the mind and the powers of emotion and imagination. The Art of Inside Out provides an exclusive look into the artistic exploration that went into the making of this vibrant film. Featuring concept art—including sketches, collages, color scripts, and much more—and opening with a foreword by actress Amy Poehler and introduction by the film's writer and director Pete Docter, this is the ultimate behind-the-scenes experience of the making of this landmark film.
