**Journey to the Sun** Dec 07 2020 The Sun is one of 300 billion stars in our galaxy, but to those of us on Earth, it is the most special star of them all. The Sun is what makes all life on Earth possible because it provides heat and energy for life to thrive. This book will let readers explore the Sun inside and out as they learn about everything from sunspots and solar flares to what the Sun is made of. Complemented by full color photographs and illustrations, the book's accessible text makes complex topics easy to follow.

***Island of the Blue Dolphins*** Jul 14 2021 Records the courage and self-reliance of an Indian girl who lived alone for eighteen years on an isolated island off the California coast when her tribe emigrated and she was left behind.

**Lake of the Long Sun** Feb 06 2021 It is the far future, and the giant spaceship, The Whorl, has travelled for forgotten generation towards its destination. Lit inside by the artificial Long Sun, The Whorl is so huge that you can see whole cities in the sky. And now the gods of The Whorl begin to intervene in human affairs. A god speaks to Patera Silk, a clergyman at work in the schoolyard of his church. Silk must go on a quest to save his church and his people. "Stylistic excellence and topnotch storytelling."--Library Journal At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Copper Sun** Dec 31 2022 A Time Best YA Book of All Time (2021) In this "searing work of historical fiction" (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari's life was once perfect. Engaged to the handsomest man in her tribe, adored by her family, and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened

when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a "birthday present". Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her.

**How Dare the Sun Rise Oct 29 2022 Junior Library Guild Selection \* New York Public Library's Best Books for Teens \* Goodreads Choice Awards Nonfiction Finalist \* Chicago Public Library's Best of the Best Books for Teens: Nonfiction \* 2018 Texas Topaz Nonfiction List \* YALSA's 2018 Quick Picks List \* Bank Street's 2018 Best Books of the Year** "This gut-wrenching, poetic memoir reminds us that no life story can be reduced to the word 'refugee.'" —New York Times Book Review "A critical piece of literature, contributing to the larger refugee narrative in a way that is complex and nuanced." —School Library Journal (starred review) This profoundly moving memoir is the remarkable and inspiring true story of Sandra Uwiringiyimana, a girl from the Democratic Republic of the Congo who tells the tale of how she survived a massacre, immigrated to America, and overcame her trauma through art and activism. Sandra was just ten years old when she found herself with a gun pointed at her head. She had watched as rebels gunned down her mother and six-year-old sister in a refugee camp. Remarkably, the rebel didn't pull the trigger, and Sandra escaped. Thus began a new life for her and her surviving family members. With no home and no money, they struggled to stay alive. Eventually, through a United Nations refugee program, they moved to America, only to face yet another ethnic disconnect. Sandra may have crossed an ocean, but there was now a much wider divide she had to overcome. And it started with middle school in New York. In this memoir, Sandra tells the story of her survival, of finding her place in a new country, of her hope for the future, and how she found a way to give voice to her people.

**Conducting Astronomy Education Research Oct 17 2021** "This book is written for astronomers who want to learn more about how science education research is done and how to begin studying the teaching and learning of astronomy. The book provides fruitful research designs and effective data collection and analysis strategies, and points readers to avenues for publishing scholarly work in astronomy education research"--Back cover.

***Butler, Vermont Series Boxed Set, Books 1-4* May 31 2020** The characters you met in and loved in the Green Mountain Series are back in this continuation of the Abbott/Coleman/Stillman family story. In this collection, read about cousin Grayson Coleman in *Every Little Thing*, Cameron's dad, Patrick Murphy, in *Can't Buy Me Love* and Wade Abbott in *Here Comes the Sun!* Set in the mountain town of Butler, Vermont, and with the family's Green Mountain Country Store business

at the heart of the series, come along as these characters find love and other things, such as Fred the town moose, on their way to happily ever after.

**The Ku Klux Klan in Canada Aug 03 2020** The Ku Klux Klan came to Canada thanks to some energetic American promoters who saw it as a vehicle for getting rich by selling memberships to white, mostly Protestant Canadians. In Ontario, Saskatchewan, Alberta and British Columbia, the Klan found fertile ground for its message of racism and discrimination targeting African Canadians, Jews and Catholics. While its organizers fought with each other to capture the funds received from enthusiastic members, the Klan was a venue for expressions of race hatred and a cover for targeted acts of harassment and violence against minorities. Historian Allan Bartley traces the role of the Klan in Canadian political life in the turbulent years of the 1920s and 1930s, after which its membership waned. But in the 1970s, as he relates, small extremist right-wing groups emerged in urban Canada, and sought to revive the Klan as a readily identifiable identity for hatred and racism. **The Ku Klux Klan in Canada** tells the little-known story of how Canadians adopted the image and ideology of the Klan to express the racism that has played so large a role in Canadian society for the past hundred years – right up to the present.

**The Sun Does Shine Nov 29 2022** "A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit"--

**A Thousand Splendid Suns Sep 27 2022** A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

**Half of a Yellow Sun Jan 20 2022** With her award-winning debut novel, *Purple Hibiscus*, Chimamanda Ngozi Adichie was heralded by the *Washington Post Book World* as the "21st century daughter" of Chinua Achebe. Now, in her masterly, haunting new novel, she recreates a seminal moment in modern African history: Biafra's impassioned struggle to establish an independent republic in Nigeria during the 1960s. With the effortless grace of a natural storyteller, Adichie weaves together the lives of five characters caught up in the extraordinary tumult of the decade. Fifteen-year-old Ugwu is houseboy to Odenigbo, a university professor who sends him to school, and in whose living room Ugwu hears voices full of revolutionary zeal. Odenigbo's beautiful mistress, Olanna, a sociology teacher, is running away from her parents' world of wealth and excess; Kainene, her urbane twin, is taking over their father's business; and Kainene's English lover, Richard, forms a bridge between their two worlds. As we follow these intertwined lives through a military coup, the Biafran secession and the subsequent war, Adichie brilliantly evokes the promise, and intimately, the devastating disappointments that marked this time and place. Epic, ambitious and triumphantly realized, *Half of a Yellow Sun* is a more powerful, dramatic and intensely emotional picture of modern Africa than any we have had before.

**Chapter 362, Laws of Wisconsin for 1905, as Amended by Chapters 13 and 17, Laws of Special Session of 1905, and by Chapter 582, Laws of 1907 Mar 10 2021**

Chapter 18- How Big Will the Sun be After it Dies? Chapter 19- What Will Happen After the Sun Dies?

**The Eye of Yeme Sep 03 2020** Shaye is an enigmatic thief who lives for the chase of treasure. The best at what he does, he has surrounded himself with a family of like-minded individuals, rich on their exploits of burglary and crime. But an overreach of his ambition may have propelled him and his family into an eons-old war between powers and forces way beyond their control - together they must struggle to find their place, to survive... and, of course, to walk away rich. He was born with a glint of greed in his eye, the scoundrel. Since a young lad, Shaye only ever cared about one thing: coin. Well, also in what it took to get the coin. He was as much a thrill-seeker as a greedy thief. A particularly interesting character, Shaye had quite an intriguing complex. A thief, a criminal, every day of his life, yet a good man with a good heart, a scholar and noble person, intent on doing the right thing for himself and his family of like-minded thieves. Yet, for a thief, the ambition and greed is ever a nagging nemesis. Overreaching (perhaps) for more, Shaye and his Sand Rogues venture to the western fringes of their desert home of Yemeatis, to the legendary and dangerous expanse of Hambetia, in search of treasures older than men. But what was meant to be another of a string of heists, if not a different kind, quickly becomes a mission of survival for the Sand Rogues, as they find themselves caught in the middle of a struggle older than time, from an ancient epoch that men know little of. Will they survive their latest exploits, together? Or will all, or one of them, fall to their pursuit of dangerous treasures?

**Does Your Face Look Like The Sun? Oct 05 2020** If you are interested in creating the best version of yourself—including improving your appearance—this is the read for you. This is a book that will even get nonreaders reading. It is fast. It is interactive and even a bit whacky and playful, all the while teaching life-altering

lessons. Prepare to join Donaylle in this fun-filled ride as you read these personal stories, try these concepts, experience these recipes, and explore a quintessential version of yourself in the soul-searching self-analysis within the pages of this activity-loaded guide to a life of radiance. This is not a book you want to share or loan to your friends as it will become your personal journal. Each year look back and take a self-audit to ensure there has been progressive change on the road to a better you. If your friends want to borrow your copy, tell them, "It's simply not that kind of book." They will have to go out and get their own. Tell them, "It is a gift to yourself that keeps on giving back to you."

**Their Eyes Were Watching God Jun 24 2022** Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

**The Giver Jul 26 2022** Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

**Heating, Cooling, Lighting Apr 30 2020** The essential guide to environmental control systems in building design For over 25 years Heating, Cooling, Lighting: Sustainable Design Strategies Towards Net Zero Architecture has provided architects and design professionals the knowledge and tools required to design a sustainable built environment at the schematic design stage. This Fifth Edition offers cutting-edge research in the field of sustainable architecture and design and has been completely restructured based on net zero design strategies. Reflecting the latest developments in codes, standards, and rating systems for energy efficiency, Heating, Cooling, Lighting: Sustainable Design Strategies Towards Net Zero Architecture includes three new chapters: Retrofits: Best practices for efficient energy optimization in existing buildings Integrated Design: Strategies for synergizing passive and active design Design Tools: How to utilize the best tools to benchmark a building's sustainability and net zero potential Heating, Cooling, Lighting: Sustainable Design Strategies Towards Net Zero Architecture is a go-to resource for practicing professionals and students in the fields of environmental systems technology or design, environmental design systems, construction technology, and sustainability technology.

**Into the Wild Dec 19 2021** Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had

roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Voice & Vision Nov 25 2019 Develop your creative voice while acquiring the practical skills and confidence to use it with this new and fully updated edition of Mick Hurbis-Cherrier's filmmaking bible, *Voice & Vision*. Written for independent filmmakers and film students who want a solid grounding in the tools, techniques, and processes of narrative film, this comprehensive manual covers all of the essentials while keeping artistic vision front and center. Hurbis-Cherrier walks the reader through every step of the process—from the transformation of an idea into a cinematic story, to the intricacies of promotion and distribution—and every detail in between. Features of this book include: Comprehensive technical information on video production and postproduction tools, allowing filmmakers to express themselves with any camera, in any format, and on any budget An emphasis on the collaborative filmmaking process, including the responsibilities and creative contributions of every principal member of the crew and cast A focus on learning to work successfully with available resources (time, equipment, budget, personnel, etc.) in order to turn limitations into opportunities Updated digital filmmaking workflow breakdowns for Rec. 709 HD, Log Format, and D-Cinema productions Substantial coverage of the sound tools and techniques used in film production and the creative impact of postproduction sound design An extensive discussion of digital cinematography fundamentals, including essential lighting and exposure control tools, common gamma profiles, the use of LUTs, and the role of color grading Abundant examples referencing contemporary and classic films from around the world Indispensable information on production safety, team etiquette, and set procedures. The third edition also features a robust companion website that includes eight award-winning example short films; interactive and high-resolution figures; downloadable raw footage; production forms and logs for preproduction, production, and postproduction; video examples that illustrate key concepts found within the book, and more. Whether you are using it in the

classroom or are looking for a comprehensive reference to learn everything you need to know about the filmmaking process, Voice & Vision delivers all of the details in an accessible and reader-friendly format.

Shane Feb 18 2022

Earth and Sun May 12 2021

Fever 1793 Aug 15 2021 It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight—the fight to stay alive.

The Phantom Tollbooth Feb 27 2020 With almost 5 million copies sold 60 years after its original publication, generations of readers have now journeyed with Milo to the Lands Beyond in this beloved classic. Enriched by Jules Feiffer's splendid illustrations, the wit, wisdom, and wordplay of Norton Juster's offbeat fantasy are as beguiling as ever. "Comes up bright and new every time I read it . . . it will continue to charm and delight for a very long time yet. And teach us some wisdom, too." --Phillip Pullman For Milo, everything's a bore. When a tollbooth mysteriously appears in his room, he drives through only because he's got nothing better to do. But on the other side, things seem different. Milo visits the Island of Conclusions (you get there by jumping), learns about time from a ticking watchdog named Tock, and even embarks on a quest to rescue Rhyme and Reason. Somewhere along the way, Milo realizes something astonishing. Life is far from dull. In fact, it's exciting beyond his wildest dreams!

Harmonics: The Jadian Sun Oct 24 2019 Samantha Montgomery of Academy City 676 always dreamed of life outside of school. Sometimes you have to be careful what you wish for... A rogue weapons manufacturer, a ruthless killer, and a schoolgirl converge as a weapon so advanced it defies the laws of physics is a mere breath away from being unleashed on the world. Now it's up to Sam and some unexpected allies to keep it out of the wrong hands or risk losing everything, and everyone, they hold dear. A defense contractor on the rampage, an assassin out for blood, and Sam caught in the middle. When the reality you know ceases to be, can you live with the reality yet to come?

A Visit from the Goon Squad Aug 27 2022 NATIONAL BESTSELLER • NATIONAL BOOK CRITICS CIRCLE WINNER • With music pulsing on every page, this startling, exhilarating novel of self-destruction and redemption "features characters about whom you come to care deeply as you watch them doing things they shouldn't, acting gloriously, infuriatingly human" (The Chicago Tribune). Bennie is an aging former punk rocker and record executive. Sasha is the passionate, troubled young woman he employs. Here Jennifer Egan brilliantly reveals their pasts, along with the inner lives of a host of other characters whose paths intersect with theirs. "Pitch perfect.... Darkly, rippingly funny.... Egan

possesses a satirist's eye and a romance novelist's heart." —The New York Times Book Review

**Things Fall Apart** Apr 22 2022 Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

**Atlas of Diabetes** Mar 29 2020 This handbook is an invaluable resource for improving the management of diabetes. Chapters cover the fundamentals, including epidemiology, history and physical examination, and functional evaluations. Diabetes in children, adolescents, adults, and geriatrics are addressed. Differential diagnosis is emphasized, and evidence-based guidelines and patient-specific considerations aid the reader with injury evaluation and care. Notably, the book highlights the importance of understanding diabetic symptoms when determining the source of illnesses. In addition, the text presents the spectrum of treatment options for diabetes. The book is complete with appendices that explain the evidence-based approach used throughout and the science behind therapeutic modalities.

**The Sun Also Rises** Apr 10 2021 First published in 1926, 'The Sun Also Rises' is Ernest Hemingway's first novel and a classic example of his spare but influential writing style. A poignant look at the disillusionment and angst of the post-World War I generation, the novel introduces two of Hemingway's most unforgettable characters: Jake Barnes and Lady Brett Ashley. Based on Hemingway's experiences, it is the story of a group of American and English expatriates living in Paris who take an excursion to Pamplona, Spain. The novel has forever associated Hemingway with bullfights and the running of the bulls. This powerful work of modern fiction, filled with memorable characters and universal themes, is summarized in this volume, which is enhanced by thought-provoking critical extracts and focused biographical details. The novel helped to establish Hemingway as one of the greatest writers of the twentieth century.

**The Last Book in the Universe** May 24 2022 This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

**An Exposition of the Book of Revelation** Nov 05 2020 Odell Furtick begins this exposition by saying, Do you believe? It's a question that everyone must answer personally. It's been over two thousand years since anyone has seen Jesus on earth

after his ascension, and now the believers are told to wait for his return. Has humanity grown weary in their belief and lost faith in the promises of God? Dr. Furtick leads his readers through the book of Revelation verse by verse, reassuring the readers that God's final words are reliable and precise. The book of Revelation is one of the most neglected books in the Bible because of fear and lack of comprehension of its apocalyptic writings and prophetic symbols. This book brings to life a concise knowledge of the mysteries of God concealed in the Old Testament and revealed in the Revelation of Jesus Christ. The book of Revelation is relevant in the twenty-first century, and the world should believe the testimony of the apostle John and believe all the sayings written in the Word of God.

**Vitamin D** Aug 22 2019 Vitamin D insufficiency/deficiency is a worldwide, public health problem in both developed and developing countries. Rickets among infants has reemerged. Low levels of vitamin D are associated with increased risk and mortality from cancer. At the same time, the beneficial effects of vitamin D on a host of conditions have recently been discovered. Focusing on areas not extensively covered in other comparable books, **Vitamin D: Oxidative Stress, Immunity, and Aging** highlights the most recent research findings on the impact of this nutrient in oxidative stress, immunity, and aging. A state-of-the-art compilation of essential information, this book explores: Vitamin D and its genomic and nongenomic effects, the role of therapeutic analogs in treating disease, and the production of vitamin D by the body. The role vitamin D plays in modulating oxidative stress—with emphasis on cancer, stress-mediated diseases, photo-protection of the skin, and energy metabolism. Beneficial effects of vitamin D in regulating the immune response and its importance in protecting against autoimmune, infectious, and inflammatory diseases. The role vitamin D plays in the regulation of the aging process—including aspects of oxidative stress, senescence, and mortality, as well as its role in protection against cardiovascular disease and nervous system disorders. This book represents an important contribution toward understanding the mechanisms by which vitamin D promotes health, increasing awareness of the importance that vitamin D plays during development, at birth, and throughout the aging process. It is a valuable reference for researchers in academia, nutrition, medicine, and industry.

**Moon of the Crusted Snow** Mar 22 2022 A daring post-apocalyptic novel from a powerful rising literary voice. With winter looming, a small northern Anishinaabe community goes dark. Cut off, people become passive and confused. Panic builds as the food supply dwindles. While the band council and a pocket of community members struggle to maintain order, an unexpected visitor arrives, escaping the crumbling society to the south. Soon after, others follow. The community leadership loses its grip on power as the visitors manipulate the tired and hungry to take control of the reserve. Tensions rise and, as the months pass, so does the death toll due to sickness and despair. Frustrated by the building chaos, a group of young friends and their families turn to the land and Anishinaabe tradition in hopes of helping their community thrive again. Guided through the chaos by an unlikely leader named Evan Whitesky, they endeavor to restore order while grappling with a grave decision. Blending action and allegory, **Moon of the Crusted Snow** upends our expectations. Out of catastrophe comes resilience. And

**as one society collapses, another is reborn.**

**Abel's Island Nov 17 2021 Abel's place in his familiar, mouse world has always been secure; he had an allowance from his mother, a comfortable home, and a lovely wife, Amanda. But one stormy August day, furious flood water carry him off and dump him on an uninhabited island. Despite his determination and stubborn resourcefulness--he tried crossing the river with boats and ropes and even on stepping-stones--Abel can't find a way to get back home. Days, then weeks and months, pass. Slowly, his soft habits disappear as he forages for food, fashions a warm nest in a hollow log, models clay statues of his family for company, and continues to brood on the problem of how to get across the river--and home. Abel's time on the island brings him a new understanding of the world he's separated from. Faced with the daily adventure of survival in his solitary, somewhat hostile domain, he is moved to reexamine the easy way of life he had always accepted and discovers skills and talents in himself that hold promise of a more meaningful life, if and when he should finally return to Mossville and his dear Amanda again. Abel's Island is a 1976 New York Times Book Review Notable Children's Book of the Year and Outstanding Book of the Year, and a 1977 Newbery Honor Book.**

**Clan of the Black Sun Jan 26 2020 A mysterious stone of black obsidian holds a magical grip over a rural French clan ripped apart by an ancient curse. The Nazis covet the relic as a weapon of immense power that will lead their armies to victory in the West. The Allies fear rumors of the stone mask a deadly weapon that threatens the invasion of Fortress Europe. The resistance risk annihilation to recover it. The French police and the Gestapo will destroy all in their path to possess it.**

**Web Developer's Marketplace Jul 02 2020 Over the last two years, the Web development industry has exploded, creating hundreds of new types of jobs. To help developers stay on top of the industry, Dan and Judith Wesley show how to find the best job, how to start a Web development shop, what to charge for Web development projects, and how to hire and train Web developers. The CD-ROM includes hundreds of indispensable Web development resources and tools.**

**Esperanza Rising (Scholastic Gold) Sep 15 2021 Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances--because Mama's life, and her own, depend on it.**

**The Complete Idiot's Guide to Renewable Energy for Your Home Dec 27 2019 An essential how-to on powering your home with sun, wind, water, and more. For readers wanting to save money--and the planet--by using alternative energy, this book provides everything they need to know. The five basic sources are fully covered: sun, wind, water, earth, and bio. The benefits, what is needed, and**

whether it will work for a particular home are all carefully laid out in this comprehensive overview: ? Solar energy for home heating, water heating, and electricity ? Wind power, hydrogen, and micro hydro power ? Heat pumps-air, geothermal, and water source ? Heating with wood and going bio

**One Hundred Unorthodox Strategies Jan 08 2021** One Hundred Unorthodox Strategies was compiled in the fifteenth century, during the Ming Dynasty, as a handbook of tactics based on Chinese military classics. Translated into English for the first time, this unique work draws on over two thousand years of experience in warfare to present a distillation of one hundred key strategic principles. Originally prepared as a text for students aspiring to high political positions in Confucian China, One Hundred Unorthodox Strategies is a compendium of Oriental strategies concisely stated and each individually illustrated with a description of battle from Chinese history. These historical examples shed new light on the often enigmatic formulations of the ancient strategists on subjects such as Strategic Power, defence, Vacuity, Spirit, and Victory. Acclaimed translator and Chinese military specialist Ralph Sawyer adds his own thoughtful commentary, deepening the reader's understanding of the intricacies of Chinese strategic thought.

**We Can Do It Sep 23 2019** This book tells of the challenges faced by white and black school administrators, teachers, parents, and students as Alachua County, Florida, moved from segregated schools to a single, unitary school system. After Brown v. Board of Education, the South's separate white and black schools continued under lower court opinions, provided black students could choose to go to white schools. Not until 1968 did the NAACP Legal Defense Fund convince the Supreme Court to end dual school systems. Almost fifty years later, African Americans in Alachua County remain divided over that outcome. A unique study including extensive interviews, We Can Do It asks important questions, among them: How did both races, without precedent, work together to create desegregated schools? What conflicts arose, and how were they resolved (or not)? How was the community affected? And at a time when resegregation and persistent white-black achievement gaps continue to challenge public schools, what lessons can we learn from the generation that desegregated our schools?
