Toby Walsh rode away from the family ranch knowing that it could not support both he and his brother. Toby's travels through the 1880's West and his growth into manhood provide the reader with an insight into what living in the old West and cattle ranching was truly like. Story content for Cowboys & Wiseguys 1898. The last of the Wild West's famous outlaws, Johnny Wargo and Dakota Sam, make a daring escape from a small west Texas jail. In a desperate effort to lay low, they make the hard decision to go their separate ways. Although occasional sightings were whispered from time to time, the legendary pair eventually faded into history. Or, so it seemed. 1929. Retired after twenty-five years as a St Louis school superintendent, Frank, now in his sixties, enjoys the summers with his wife, Nancy, in the northern Illinois community of Brookfield. But, all is not good in Brookfield. Prohibition has spurred the growth of organized crime and the Chicago area town of Brookfield has become a new target. Protection rackets are constantly sucking hard earned cash from struggling businesses in the area. Frank's brother in law owns the local hardware store and is victimized on a regular basis by local mobsters while the police look the other way. In a desperate attempt to covertly rid the community of these gangsters, Frank contacts his old partner in crime, Dakota Sam, who had been living quietly in Wyoming. Frank's last letter to Sam asks him

to come to Brookfield to help with an urgent matter. Little did Sam realize what he was getting himself into. The reunion of these elder cowboys from the old west and picking a fight with mobsters in the big city, leads to some comical situations that ends in an epic battle that certainly trumps the gunfight at the OK Corral. Some might compare the chaos that followed to that of the Great Chicago Fire. After Draven Delano fled his coven, he vowed he'd never take an innocent human's life again. To survive on his own, he became a doctor, allowing himself easy access to blood bags and a means of survival without harming a soul. But an immortal can never stay in one place for too long. And he can never fall in love. When he moves to the sleepy town of Burn Falls, he thinks he's found the perfect place to temporarily settle. Until he meets the one woman who could change everything. Calla O'Bannion believed monsters lived only in fairy tales. The night her father was attacked and left to die, Calla knew that monsters were real. When the inevitable happens, Calla makes the decision to move home to Burn Falls and take over the family's distillery. As fate would have it, she begins a relationship with the only one who can protect her from the thing she fears the most. Until she finds out what Draven's been hiding. Evil has chased Draven for eighty-six years. Soon, he'll be forced to face those demons and break his vow—a decision that could save both him and Calla. Or it could kill them both. Forever. When most people hear the word Oklahoma, they think about the Oklahoma Land Run, cowboys and Indians, and the oil boom, however, they do not realize that there are many treasures that were lost throughout history in the state of Oklahoma. Things told and remembered of outlaw gold but none has ever been reported are supposedly recovered. Even though there has been hundreds of moneys recovered that could have been outlaw gold that has been reported. The following items have never been recovered or reported. Some of the lost treasures have no exact location. The owners just knew that while traveling through the Oklahoma territory their treasures disappeared, mainly because they forgot where they hide the money. One such incident is the story of an Atoka cattleman. All of his gold was lost in Oklahoma most likely close to Atoka. Whether he buried his gold or in fact lost the gold, no one knows for sure. Sara Havens is The Bar Belle for LEO Weekly and writes about everything from the Louisville, Ky., nightlife and hangover cures to the latest in bars, cocktails and watered-down American swill. A personality-driven column that runs every other week in LEO, The Bar Belle was created in 2006, which is, ironically, the year Sara's mother stopped reading the paper. The Bar Belle was named Best Column (for a circulation under 50,000) at the 2011 AltWeekly Awards. This book features 100 of her best columns from 2006-2010. The old Mexican called him "Mano," but the family knew that was short for La Mano de Dios. They also knew La Mano de Dios was Spanish for The Hand of God. That was all they knew. Whenever they asked the reason for the name, they were told it was a personal thing between the old man, who was their father, and the old Mexican. Perhaps it's time, his wife thought as the children, grandchildren, and great grandchildren were gathered for the old man's 90th birthday, for them to know the kind of a man he was. Maybe it's time they knew about the Comanches and the Apaches; about the horse thieves and cattle rustlers; about the haciendados and the big ranchers; and about the range war. Maybe, she thought, it's time they know who they are. From USA Today Bestselling author Kimberly Knight, comes book four in her strong, sexy, and suspenseful Saddles & Racks series that takes on the seedy underbelly of Las Vegas. Not everything goes as planned ... Vincent Reed always believed he'd play professional volleyball in the Olympics, but when he's injured his sophomore year of college, his dreams are crushed and he loses his scholarship. Instead of dropping out of school, Vinny began working as a male escort to pay for his education and fulfill his new dream of teaching children. Enjoying the life of luxury and travel, Vinny continues moonlighting as a male escort after graduation. He has everything he could ever need. Everything happens for a reason ... Teresa Stewart never planned to get pregnant before she was married. She also didn't plan for the father of her baby to die in combat before she could even tell him the news. Struggling to feed herself and her son, Colton, Tessa moves to Las Vegas where she hopes the cost of living will be cheaper and she'll find a job in a popular hotel. But finding a job isn't easy for Tessa, and a neighbor soon convinces her that stripping is the best way to make the money she needs to provide for her small family. All of life's puzzle pieces are starting to come together, but Tessa knows something is still missing. They say best friends make the best lovers ... At a bachelor party for his co-worker, Vinny meets Tessa. The sexual attraction is undeniable, but they each have something holding them back from moving forward. They grow even closer when Vinny becomes Colton's teacher, and it seems as though all the pieces are finally falling into place. However, sometimes the best-laid plans turn to hell ... Because murder will change everything. The Saddles & Racks Series The Saddles & Racks Series Boxed Set, Books 1-3 Book 1: Angels & Whiskey (Gabe & Autumn) Book 2: Tequila & Lace (Paul & Joss) Book 3: Champagne & Handcuffs (Seth & Cat) Book 4: Rum & Coke (Vinny & Tessa) This Scorched Earth is an amazing tour de force depicting a family's journey from near-devastation in the Civil War to their rebirth in the American West, from New York Times bestselling author William Gear. The Civil War tore at the very roots of our nation and destroyed most of a generation. In rural Arkansas, the Hancocks were devastated by that war. They not only lost everything, but experienced an unimaginable hell. How does a traumatized human being put themselves back together? Where does a person begin to heal his or her broken mind...and does one choose damnation or redemption? For the Hancock siblings: Doc, Sarah, Butler, and Billy, the American frontier becomes a metaphor for the wilderness within—raw, and capable of being shaped. Self-salvation, however, always comes with a price. Their journey is a testament to the power of love...and the American spirit. This is their story. And ours. Presents a collection of fifty-nine familiar and unfamiliar stories by such writers as John Cheever, Ray Bradbury, Flannery O'Connor, Edmund White, and Richard Wright. We were riding on top of the world. We were two women in our fifties and we probably should have been anywhere other than where we were at that moment. The scenery was spectacular, but I was beginning to wonder if it was worth dying for . . . literally. The loose rocks and tight switchbacks had cost us precious time. This was not a place we wanted to get caught after dark. Edie and I rode in silence as we negotiated the treacherous footing. We had known we would face danger on this ride, but I had never envisioned anything like the scenario we were currently dealing with. My senses seemed cross wired. At a time when I should have logically been bordering on panic, I found myself engulfed in an eerie sense of calm. Fear was a luxury we couldn't afford at the moment. If we got off this mountain alive, there would be plenty of time to be scared as we recalled the ordeal. The trail was incredibly narrow. The climb had been steep and rugged. We would reach an altitude in excess of seven thousand four hundred feet as we rode the crest of Mt. Francis. On our immediate left, a sheer rock wall rose vertically with occasional outcroppings that jutted into the trail. Our knees, at times, rubbed the craggy rock face. A glance to the right brought no comfort. A severe drop off afforded us a view of the tops of trees, hundreds of feet below. We were riding on a trail that was no more than a narrow ledge on the face of the mountain. For some reason known only to them, both horses insisted on walking along the extreme outer edge of the trail. They seemed to feel more comfortable on the edge, rather than being crowded by the wall. Both Edie and I found ourselves sitting off center and leaning slightly toward the wall. If our horses lost their footing, we hoped to be able to jump clear of them and land on the trail. A lump the size of a softball threatened to choke me each time I heard a piece of the trail crumble beneath our horse's feet, sending rock and dirt tumbling over the edge. We had reached a point of no return. We had no idea what lay ahead of us . . . there was no way to turn around . . . no way to back the horses out of where we were . . . and at this point, dismounting was a physical impossibility due to the close proximity of the rock face and the narrow width of the trail. We both knew that we were in a potentially life threatening situation. If a cougar or a snake spooked the horses, we would all have a one way ticket to the rocky bottom of the canyon far below. That gruesome thought was still in my mind when our bad situation grew decidedly more complicated. As I focused on the trail ahead, my mind rejected what my eyes could clearly see. Thirty feet ahead of us, the trail simply disappeared! All I could see beyond that point was air . . . and lots of it. I wondered if Edie, who rode only a few feet behind me, saw what I saw . . . She did. Whiskey, women and sleepless nights...United States Army Captain Gabriel Hastings knew he would always follow in his grandfather's footsteps. Serving his country was his destiny.Until he fell in love...When Gabe's love affair is cut short, he turns to whiskey for comfort and swears he will never fall in love again.Until he bumps into an unexpected angel...By all appearances, Autumn Jones has the perfect life. He'll stop at nothing to make her the trophy wife he wants her to be.When Autumn bumps into Gabe, he consumes her every thought, but she can't act on her feelings. She's married to a dark man she can never leave.When he learns who Autumn's husband really is, Gabe knows he will stop at nothing to protect her. Or is it too late for him to save his angel? Sensation. A sacred place free from judgment or inhibitions. The only rule: Ask before you touch. Sensation is an exclusive black-tie party attended by at least one hundred and fifty of the clubs most privileged members, and held once a month at an undisclosed mansion in Beverly Hills. You may watch. You may interact. You can come together or you can choose to come alone. The choice is yours. Would you like it rough? Would you like to be caressed and worshipped? Or would you simply like to observe? What do you desire? The author of The Last Canyon draws on historical records to create a fresh, nuanced fictional portrait of the violent life and times of outlaw Billy the Kid, focusing on his role in the Lincoln County War, the murder of his employer John Tunstall, and the revenge killings that followed. Two rip-roarin' Westerns for one low price. Hammerhead Range: Buck McKee and Tortilla Joe cross the desert to help Jack Perry--only to find him hanging from a tree--and a posse of desperadoes ready to gun them down. In 1937 Ernest Hemingway traveled to Spain to cover the civil war there for the North American Newspaper Alliance. Three years later he completed the greatest novel to emerge from "the good fight," *For Whom the Bell Tolls*. The story of Robert Jordan, a young American in the International Brigades attached to an antifascist guerilla unit in the mountains of Spain, it tells of loyalty and courage, love and defeat, and the tragic death of an ideal. In his portrayal of Jordan's love for the beautiful Maria and his superb account of El Sordo's last stand, in his brilliant travesty of *La Pasionaria* and his unwillingness to believe in blind faith, Hemingway surpasses his achievement in *The Sun Also Rises* and *A Farewell to Arms* to create a work at once rare and beautiful, strong and brutal, compassionate, moving, and wise. "If the function of a writer is to reveal reality," Maxwell Perkins wrote to Hemingway after reading the manuscript, "no one ever so completely performed it." Greater in power, broader in scope, and more intensely emotional than any of the author's previous works, it stands as one of the best war novels of all time. In the New York Times bestselling *Hard Country*, Michael McGarrity gave readers "an expansive, lyrical period Western in the tradition of A. B. Guthrie Jr. and Larry McMurry" (Hampton Sides). Now McGarrity continues his richly authentic epic of life on the last vestiges of the twentieth-century American frontier. Scarred by the loss of an older brother he idolized, estranged from a father he barely knows, and deeply troubled by the failing health of a mother he adores, young Matthew Kerney is suddenly and irrevocably forced to set aside his childhood and take on responsibilities far beyond his years. When the world spirals into the Great Depression and drought settles like a plague over the nation, Matt must abandon his own dreams to salvage the Kerney ranch. Plunged into a deep trough of dark family secrets, hidden crimes, broken promises, and lies, Matt must struggle to survive on the unforgiving, sun-blasted Tularosa Basin. It was always him. The one I shouldn't want, shouldn't crave, the one who could destroy my carefully built life. Hagen Lykaios was the essence of sin, indulgence, and danger - everything I knew to avoid. All it took was one unexpected touch, and he consumed me, left me begging, needy, and hungry for more. He said if I entered his world he would corrupt me, own me, and change all that I had ever known...and you know what? I went anyway. Easton Crawford put his modeling career and good looks before his marriage until it was over. Years later, he is finally learning how to be the father his daughter needed him to be. He's not looking for a new mom for his daughter—just nightly casual hook-ups. When his best friend, Avery, convinces him that a good way to meet a lot of single women is to go on a single's cruise, Easton finds more than just a hook-up when he meets a fellow cruiser, Brooke. Brooke Bradley has taken care of her younger sister, Bailee, for most of their lives. While their mother was enjoying not being a mother, Brooke became the adult in the household at thirteen. She had always taken care of the people in her life, especially her boyfriend, Jared. If it wasn't for Brooke, Jared wouldn't know how to function throughout the day. When Brooke's best friend, Nicole, gives her a gift of going on a cruise without telling her that it's a single's cruise, will Brooke find someone willing to be her constant and finally leave Jared? Brooke and Easton learn that people are brought into their lives for many reasons. Over time, they find out what those reasons are. Some are to be a temporary acquaintance while others are there for life. After leaving Elk Horn with his hard-earned poker winnings, Jack Bell, a legendary gunslinger, soon finds his life in grave danger when his opponent, Early Philpot, sends his ruthless gang of thugs after Jack to retrieve his money, but Jack has a special surprise in store for Early and his men. *Preview of *Ralph Cotton's Trouble Creek and Powder River* at the end of this book.

A Manhattan or a Sazerac; neat, on the rocks, or with a splash of soda—no matter how it's served up, whiskey is synonymous with the poet's inspiration and the devil's spirit. Be it bourbon, rye, corn, Irish, or Scotch, whiskey has an infamous and celebrated history from a sometimes lethal, herb-infused concoction to a high-quality, meticulously crafted liquor. In *Whiskey*, Kevin R. Kosar delivers an informative, concise narrative of the drink's history, from its obscure medieval origins to the globally traded product that it is today. Focusing on three nations—Scotland, Ireland, and America—Kosar charts how the technique of distillation moved from ancient Egypt to the British Isles. Contrary to popular claims, there were no good old days of whiskey: before the twentieth century, consumers could never be sure just what was being poured in their cup—unscrupulous profiteers could distill anything into booze and pawn it off as whiskey. Eventually, government and industry established legal definitions of what whiskey is and how it could be made, allowing for the distinctive styles of whiskey known today. *Whiskey* explains what whiskey is, how it is made, and how the types of whiskey differ. With a list of

suggested brands and classic cocktail recipes for the thirsty reader, this book is perfect for drink and food enthusiasts and history lovers alike. Caught up in a fast paced career as a paramedic, Meg has little energy for a full-time relationship, or so she tells herself. Then on a fateful emergency call, Meg meets June, a single woman running a horse ranch in the California Sierra foothills. Always wanting to learn how to ride, Meg soon finds herself on a horse under June's careful direction. The two become quick friends but soon Meg realizes she wants more than a friendship. But June has no interest in developing a deeper relationship with anyone—especially a woman... It all started with a cat on my roof. My neighbor's Siamese to be exact. When Mrs. Higgins begged me to go up on my roof to save Chloe, I did it to appease her because she thought the cat was stuck. The cat wasn't stuck. But I was. The ladder fell, Mrs. Higgins called 9-1-1, and the guy I'd had a crush on since high school arrived with the fire department and saved me. To my surprise, he asked me out, and our relationship took off. That was until I got the opportunity of a lifetime to go to Paris for six months and didn't see him again for two years when he was a passenger on the flight I was working. I was still in love with him, but he told me he was now a part-time gigolo, and there was no way I could ever share him with anyone else. Even if the job was only for money. So, I let him go. Like I should have done with that damn cat in the first place. Wyoming game warden Joe Pickett is about to become the hunted in this suspenseful thriller in the #1 New York Times bestselling series. When a good friend and fellow warden kills himself, Joe Pickett is chosen to temporarily run his Teton district. The Saddles & Racks Series Book 1: Angels & Whiskey (Gabe & Autumn) Book 2: Tequila & Lace (Paul & Joss) Book 3: Champagne & Handcuffs (Seth & Cat) Book 4: Rum & Coke (Vinny & Tessa) Book 5: Gin & Jewels (Brad & Cassie) Book 6: Paradise & Vodka (Nick & Ashleigh) New in the Spur Award-winning Herschel Baker series When Sheriff Herschel Baker's young cousin, Wulf, turns out to be good with a gun, Baker pins a deputy badge on him. But once the lawmen track down a thief, Wulf finds that he has a score or two to settle back home. The Poacher's Daughter is an extraordinary story of betrayal and redemption, set within an uncompromising landscape of raw brutality and unimaginable beauty. It is a novel you won't soon forget. In 1885 young Rose Edwards is widowed by Montana vigilantes who hang her husband for an alleged theft, then burn her Yellowstone Valley cabin to the ground as a warning for her and others of her kind to quit the territory. Penniless and illiterate, yet fiercely independent, Rose begins a two-year odyssey to revisit the land of her childhood, a land she once traveled with her father, an itinerant robe trader among the Assiniboines and Blackfeet. But the old ways of the hunter and trapper are disappearing as Europeans flood the ranges with vast herds of cattle. With an aging roan gelding named Albert as her closest friend, Rose becomes a reluctant hero of an indigenous population, both native and white, as she stubbornly pushes back against the invading aristocracy. From USA Today bestselling author Kimberly Knight, comes book three in her strong, sexy, and suspenseful Saddles & Racks series that takes on the seedy underbelly of Las Vegas. Young love is just the beginning ... Seth McKenna had wanted to be a police officer for as long as he could remember. Protecting people was in his DNA, especially when it came to his two best friends, Joselyn and Catherine. From the moment he laid eyes on Cat, he knew she'd be his one day. Until one night when everything changed ... It's rare to find the one you're meant to be with, especially when you're only twelve, but when Catherine Stone laid eyes on Seth, she knew it was love. He was always looking out for her during the summers they spent together, keeping other boys in line and just making her laugh. She knew that Seth was supposed to be her forever. Until one night when heartache became inevitable ... Many years later, Cat and Seth are forced to come face to face when Joss is getting married to the love of her life. Just when everything seems to be going back to the way it was meant to be, the devil has other plans for them, and Seth will be forced to break a few rules to win Cat back ... Because he won't give her up this time. The Saddles & Racks Series Book 1: Angels & Whiskey (Gabe & Autumn) Book 2: Tequila & Lace (Paul & Joss) Book 3: Champagne & Handcuffs (Seth & Cat) Book 4: Rum & Coke (Vinny & Tessa) Book 5: Gin & Jewels (Brad & Cassie) Book 6: Paradise & Vodka (Nick & Ashleigh) From USA Today Bestselling author Kimberly Knight comes book six in her strong, sexy, and suspenseful Saddles & Racks series. The bad boy ... Growing up, Nicholas Hawkins was always the life of the party, and that hasn't changed. The only difference is that now he gets paid to do it-literally. He's the last man standing, so to speak, from his group of friends of Saddles & Racks. He plans to be a male escort for as long as women still book dates with him, and he hopes that's for many, many, many more years. The nerd ... Ashleigh James got the brains when it came to her and her twin sister, Everleigh. Growing up, all the boys wanted to date the pretty sister, and that didn't change when Ashleigh brought home her boyfriend during college. Everleigh wasted no time hooking up with Ashleigh's beau, leaving the sisters estranged for several years until Ashleigh receives her sister's wedding invitation. Turns out, Everleigh is marrying the man she stole-and in Fiji no less. The ruse ... Not wanting to show up alone, Ashleigh's best friend talks her into hiring a male escort to bring with her to paradise. A bad boy who is the complete opposite of her ex. Since Nick is the last to fall, his friends bet him that he'll find love during the weeklong trip. Neither one expects anything to happen except nightly fun while pretending they're dating. When the attraction between the two is undeniable, they both fight their desire toward each other because one can't fall for someone they hired to date, and the other can't lose a bet. But the two might not have to worry about their feelings because Mother Nature has other plans that will leave everyone running, kidnapped, or ... Dead.
