of control. The complete series includes all six books boxed together digitally for the first time ever. Over 1200 pages. It also includes a bonus excerpt of *The Right Man*. **IRRESISTIBLE REFRAIN** Two years ago everything changed for the remaining members of the Seattle rock band Tempest. Two years is a long time. Too long to keep on remembering. Not nearly long enough to forget. In trouble with nowhere else to go songstress Lace Lowell seeks refuge with the band during their stop in New York City. It's a risky move for her because they are both there, two impossibly good looking men whose lives are inseparably entwined with hers. One who bruised her heart and one who smashed it into pieces. **ENTICING INTERLUDE** To the talented vocalist Justin Jones, love is merely a game that he plays by his own rules. But to Bridget Dubois, love and heartache are one and the same. Broken too many times before, the delicate beauty keeps her emotions carefully concealed. Bridget has her own set of rigid rules when it comes to men. She prefers to avoid them altogether, especially dangerously seductive auburn haired emerald eyed players like Justin. **CAPTIVATING BRIDGE** Warren "War" Jenkins is that guy. The bad one. Tempest's ex front man, an arrogant rock god. The only thing larger than his ego is his capacity for self-destruction. His bad attitude has cost him. His woman. His best friend. His band. Everything. Shaina Bentley is that girl. The good one. Hollywood's pink candy-coated sweetheart. The star of *Pinky Swear*, television's top rated teen show. He's a one man island. She's a fragile captive soul. Is love a current too dangerous to cross or will it be the bridge that brings them together? **RELENTLESS RHYTHM** The one she really wants is out of reach. The one he really needs is already taken. Dizzy Lowell, rhythm man for the rising rock band Tempest is a wizard on the guitar and a wonder with women. But the hookup specialist hides his emotional scars beneath his suave exterior. He never lets anyone truly touch him until he meets April Reynolds, the confident bartender of the Diamond Mine.

TEMPTING TEMPO Sager Reed the strong and silent bassist for the rock band Tempest is well acquainted with loss. The thoughtful tattoos he designs only hint at his turbulent youth. He buries his guilt about it deeply within his troubled heart. Melinda T. Belle is the daughter of a dysfunctional rock legend. Avoiding emotional entanglement, she has turned her back on nearly everyone and everything she has ever known. Alone, she tries desperately to find fulfillment in the one dream she has left, competitive skiing. Can Sager overcome his dark past? Will Melinda realize her worth? Will they both see that love is only thing that really matters? SCANDALOUS BEAT A rock star. A stripper. Can a hookup lead to a happily ever after? BONUS CONTENT: THE RIGHT MAN A pretty woman and a handsome rock star A modern retelling of Cinderella. Can a hookup for cash lead to a happily ever after? (US only) The Girl of Sand & Fog is the second of three Stand-Alone books in the Sand & Fog series. This book has a HEA. Two seconds into the kiss, I'm sure I haven't misread the guy. He likes me. He is attracted to me. I feel that flash of female supremacy surge through me. Just to be a bitch, I move my hips slightly to brush my softer parts against his no longer soft part before I end the kiss and scramble back over the gearshift to my side of the car. "You can go now," I say. "I was planning to." Bobby opens the car door. "Do you want to hang out again sometime?" He's almost out of the car. What a strange 'that's it'... Kaley Stanton has it all. Beauty. Brains. Wealth. A beloved, renowned family. And fame as an Internet sensation. What she doesn't have is the one thing she needs: the truth. Bobby Rowan isn't the ordinary boy next door. This hot surfer doesn't play by any rules but his own. He's never chased any girl. Kaley is no different. As childhood friends reconnecting years later, their shared history and instant

chemistry draws them together. But is that enough to make these two independent and conflicted souls a forever love or will the past make a future for them impossible? Libby I found Killian drunk and sprawled out on my lawn like some lost prince. With the face of a god and the arrogance to match, the pest won't leave. Sexy, charming, and just a little bit dirty, he's slowly wearing me down, making me crave more. He could be mine if I dare to claim him. Problem is, the world thinks he's theirs. How do you keep an idol when everyone is intent on taking him away? Killian As lead singer for the biggest rock band in the world, I lived a life of dreams. It all fell apart with one fateful decision. Now everything is in shambles. Until Liberty. She's grouchy, a recluse —and kind of cute. Scratch that. When I get my hands on her, she is scorching hot and more addictive than all the fans who've screamed my name. The world is clamoring for me to get back on stage, but I'm not willing to leave her. I've got to find a way to coax the hermit from her shell and keep her with me. Because, with Libby, everything has changed. Everything. Massive world tours. Over a hundred million albums sold. Groupies galore. Every day is a party for Viper and the guys of TBD, the biggest rock band in the world. But it all comes to a screeching halt when the lead singer walks out of the studio one day and never comes back. Ear-blistering vocals. Butchered lyrics. Fame chasers. After months of lackluster auditions, Viper, the lead guitarist and resident bad boy of the group, is ready to find solace in the bottom of a bottle. Time's running out and the pressure's on to find a new singer, but it isn't until an angel walks through the door that the band's prayers are answered. Charismatic. Talented. Magic behind the mic. Halo is everything they've been looking for. With a voice to match his stunning good looks, it isn't long before Viper's taking notice. But there are several reasons this is a bad idea: 1. Interpersonal relationships in the band are discouraged 2. Viper has already broken rule #1-big mistake 3. Halo is straight Too bad Viper's body isn't listening to

his head—at least not the one on his shoulders. But you can't fake chemistry, not onstage and certainly not off it, and Viper and Halo? They have it in spades. As both men try to resist the fire blazing between them, and the band is forced to reinvent themselves, it'll be a complicated rise back to the top. But from the ashes of what was, something beautiful is born. Something better. And when the world finally sees Halo stretch his wings, they'll discover what it's like to fall for an angel. One steamy night with my best friend becomes the ultimate test of my noble intentions. I'm one of the biggest rock stars in the world and the lead singer of the chart-topping rock band, Rapturous Intent. Everyone thinks I have it all, but something's missing. Then I run into my childhood friend Becka—literally—who I haven't talked to in years and suddenly everything I'm looking for is right in front of me. She knew me when I was a nobody and instead of having to put on a show all the time, I can finally be myself with someone. Except, now there's a tension between us that wasn't there when we were kids. As much as I ache to have more with her, I'm not willing to sacrifice the solace that her friendship brings to my life. When one moment of weakness leads to the best night of my life, I'm forced to choose between my best friend who's become my lifeline, and the possibility that she could be so much more. In my attempt to be noble, I end up making the biggest mistake of my life. Now I need to prove to Becka that her friendship isn't enough for me. I want all of her, and this time, I'm not giving her up for anything. Noble Intent is a steamy friends to lovers romance and the first book in the completed Rapturous Intent Rockstar Series. Piper Lawson! Rockstars don't chase college students. But Jax Jamieson's never followed the rules. When I took an internship on rock god Jax Jamieson's tour, I never thought he'd look twice at me. He's older, cocky, jaded and nothing like the college guys I'm used to. He's gorgeous, rich, talented, and the biggest rockstar in the world. Too bad I rubbed him the wrong way on day one. Now he takes divine pleasure in making my life hell. During soundcheck. On the road. At the hotel after shows. I need this job for reasons he can never know. That's why I have to be cool under that smoldering gaze and arrogant grin. The bigger problem is when the cynicism slips away, exposing the cracks beneath. When he lets his guard down to tell me things he hasn't told a soul. Because a million women might scream his name... But he whispers mine. Lena is the only thing holding Jimmy back from total annihilation. But who will save her from him? Lena Morrissey has had some lousy jobs in her time, but none of them compare to being the personal assistant to one of the rock world's biggest - and most egotistical - stars. As the lead singer of Stage Dive, Jimmy is used to having whatever he wants, whenever he wants it. But after a PR disaster landed him in rehab, it's Lena's job to keep him on the straight and narrow. Lena's not willing to take any crap from the sexy rocker and is determined to keep their relationship completely professional, despite their sizzling chemistry. But in the end, Jimmy always gets his way... PRAISE FOR THE SERIES

Struggling barista Katie Bloom doesn't even know who Jesse Mayes is until she inadvertently wins the coveted role of sex kitten in his hot new music video. But by the time she's in bed with him, she knows his reputation as a love maker and heartbreaker. Making out with a stranger in front of a camera crew isn't how Katie imagined herself getting over a broken heart

but when Jesse touches her, sparks fly. The sex is fake but the chemistry is real and soon the steamy video is blazing up the charts. Then Jesse makes Katie an irresistible offer: act as his girlfriend for six weeks while he promotes his new album. The only catch is that their sizzling make-out sessions will be for the cameras only. Can you ever really start over? It's the question that follows Ariana now that she's reunited with the boys from the Sound of Us. Haunted by the past and her hopefully soon to be ex-husband, Ari is dragged along as the band continues its world tour. Touring the world together...it's what they all used to dream about. Sold out stadiums and screaming fans, it's everything anyone would want. But with broken hearts to mend, groupies to ignore, and someone who clearly wants Ariana to leave for good, is their dream more of a nightmare? Can Ariana discover her own song before it's too late? My proper southern belle mama might disagree, but I say I was born to be a rebel. From the second I got my hands on a pair of drumsticks, my future was sealed. I never fit in anyway, not with my rocker soul and curves that never take a day off. But what's a drummer without a band? Oh, that's right. A cocktail waitress. That is, until the chance of a lifetime falls into my lap-Unrequited needs a drummer, and I happen to have an 'in' with the band. The only trouble is, Santiago Garza, Unrequited's broody, scowly bassist, doesn't want me in his band, which is kind of funny, considering he was the one who took my heart and stomped all over it five years ago. My career is far more important than hurt feelings though, so Santiago can suck it up and deal. That's what I'm doing, no matter how many times I remember the feel of his lips on mine. I won't fall for him this time. I'm done being anyone's second choice. Have you ever fallen for one of the boys in the band? JD has bet everything on getting his band Wilder off the ground. Then he inherits a five-year-old daughter he didn't know he had. Can he let his neighbor Kelsey help him out? Even though he dreams of her at night, he can keep things strictly friendly... right? Craig's one night stand at a

friend's wedding has turned into three. But then Shay is gone. When he finally tracks her down months later, she's holding her life together with duct tape and hope. What she doesn't know is that so is he. Can two wounded souls heal each other? Fall hard for the men in Wilder. You'll cheer with their successes and cry with the let-downs. Boy next door, single dad, broken hearts, and more will take you through this completed romance series by Maggie Award winner Savannah Kade. "The perfect mix of Sexy and Sweet!" - Liliana Hart, New York Times bestselling author. Start reading the Wilder books, now! Steven Thompson had a bad year. A string of mean, kinky (the alarming kind, not the good kind), and crazy dating debacles combined with a boss who appears to be experiencing male-prenatal-psychosis means Steven's stress levels are high. They're so high, he's decided to quit dating and focus instead solely on his job. Until he meets Dr. Ken Miles. Doctor Ken Miles is having a fantastic year. His hard work is paying off in a big way . . . professionally. But his social life? Not so much. Until he meets Steven Thompson. Steven isn't so sure about Dr. Miles, but Ken is one hundred percent certain about Mr. Thompson. And even though both men know full well that the key to getting what you want out of life is hard work, they can't seem to make them—together—work. Will they ever get on the same page? Or just keep sticking to the same old script? 'Sticking to the Script' is a full-length contemporary romantic comedy, can be read as a standalone, and is book#2 in the Cipher Office series, Knitting in the City World, Penny Reid Book Universe.
