Crazy-but-true stories about history, geography, and human achievement make this acclaimed nonfiction series perfect for fans of curiosities and wonders. A fun way for middle graders to explore ways to separate fact from fiction. Did you know that a young girl once saved an entire beach community from a devastating tsunami thanks to something she learned in her fourth-grade geography lesson? Or that there is a person alive today who generates her own magnetic field? Or how about the fact that Benjamin Franklin once challenged the Royal Academy of Brussels to devise a way to make farts smell good? Welcome to Two Truths and a Lie: Histories and Mysteries! You know the game: Every story in this book is strange and astounding, but one out of every three is an outright lie. Can you guess which stories are the facts and which are the fakes? It's not going to be easy. Some false stories are based on truth, and some of the true stories are just plain unbelievable! Don't be fooled by the photos that accompany each story—it's going to take all your smarts and some clever research to root out the alternative facts. From a train that transported dead people to antique photos of real fairies to a dog who was elected mayor, the stories in this book will amaze you! Just don't believe everything you read. . . . When friends Rob, Liam, Mia, and Galen gather for a weekend of fun deep in the forest, one is hiding a lie and not everyone will live to find out which one it is. For use in schools and libraries only. While her late twin watches from the afterlife, Emma assumes Sutton's identity to solve the mystery of the latter's murder, an investigation that repeatedly implicates the handsome and mysterious Thayer. When a young widow witnesses a fatal car accident outside a Jersey Shore motel, she's suddenly thrust into a nightmare of gang violence, guns, and money that she can't outrun in this action-packed novel by "one of the best writers in crime fiction" (Alison Gaylin).? Joette Harper's life brings new meaning to the phrase "paycheck to paycheck." Struggling to afford her mother's sky-high medical bills and also keep the lights on in her trailer home, Joette needs a break. So, when she spies a bag full of money amongst the wreckage of a fiery car accident, she knows she can't just let it be. Inside is a bounty better than she could have dreamed—just shy of \$300,000 in neatly stacked hundreds and fifties. Enough to pay off her debts, give her mother the care she deserves, and maybe even help out a few of her friends. But, of course, the missing briefcase didn't go unnoticed by its original owner, Travis Clay—a ruthless dealer who'll stop at nothing to get back what's his. Joette is way out of her depth, but can't seem to stop herself from participating in this cat-and-mouse chase. But can she beat Travis at his own game? A ripped-from-the-headlines thriller about a charismatic, mysterious valedictorian . . . and the only girl brave enough to try to bring him down. Viveca North works harder and smarter -- and it'll all be worth it when she's named valedictorian and granted admission to her dream school, the elite Everett College. All her sacrifices are finally about to pay off. That is, unless the mysterious new guy at school, Jamison Sharpe, steals valedictorian out from under her. Jamison is popular, charming, and funny, and school comes easily to him. Viveca knows he can't really be all that he seems, but everyone completely dismisses her concerns. Soon, Viveca is obsessed with proving that Jamison is a fraud. But the deeper she gets into uncovering what she believes to be a web of lies and deceit, the closer her dreams come to unraveling once and for all. Is the school golden boy really lying, or is she as paranoid as everyone thinks? In this suspenseful psychological thriller Adi Rule weaves the unforgettable story of a girl who refuses to be silenced, and who won't back down from what she knows she deserves. Brian Fox is desperate for cash. When his business falls into debt, he turns yet again to his rock star brother. Only this time, his brother refuses to throw money at the problem...he intends to solve it. Enter Vivian Davenport, business fixer extraordinaire, supreme professional, and Brian's new boss. Brian has always called the shots, but now he's the one taking orders. When the tiny lie that Vivian is his new girlfriend slips out, he's forced to play the role of doting boyfriend to a woman he can't stand. It started as a lie, but what happens if it turns into the truth? It Started with a Lie is the first book in the Truth and Lies duet. "Considering the fresh attention being paid to teaching a skeptical approach to information evaluation, this series opener couldn't be better timed. A brief but savvy guide to responsible research methods adds further luster to this crowd-pleaser." —ALA Booklist (starred review) Two Truths and a Lie is the first book in a fascinating new series that presents some of the most crazy-but-true stories about the living world as well as a handful of stories that are too crazy to be true—and asks readers to separate facts from fakes! Did you know that there is a fungus that can control the mind of an ant and make it do its bidding? Would you believe there is such a thing as a corpse flower—a ten-foot-tall plant with a blossom that smells like a zombie? How about a species of octopus that doesn't live in water but rather lurks in trees in the Pacific Northwest? Every story in this book is strange and astounding. But not all of them are real. Just like the old game in this book's title, two out of every three stories are completely true and one is an outright lie. Can you guess which? It's not going to be easy. Some false stories are based on truth, and some of the true stories are just plain unbelievable. And they're all accompanied by dozens of photos, maps, and illustrations. Amaze yourself and trick your friends as you sort out the fakes from the facts! Acclaimed authors Ammi-Joan Paquette and Laurie Ann Thompson have teamed up to create a series of sneaky stories about the natural world designed to amaze, disgust, and occasionally bamboozle you. A pathological liar since childhood, Dair Canard has reached a point when all of her lies have come together to threaten her life and her marriage, as the mysterious death of a friend, her parents' divorce, her escalating drinking problem, and the stress of deceiving her husband collide, and Dair must determine what is real and what is not. From Sara Shepard, the #1 New York Times bestselling author of *Pretty Little Liars*, comes another riveting addition to her twisted Lying Games series, about secrets, lies, and killer consequences. Foster child Emma Paxton is finally starting to get the hang of walking in her dead twin sister's fabulous shoes, even as she tries to track down Sutton's murderer. But Sutton was no angel, and the pranks she and her friends pulled leave Emma with a long list of suspects. The most mysterious of them is Thayer Vega, who's currently missing—a fact which many of Sutton's friends blame on her. Emma has no idea what Sutton did that could have driven Thayer away. Until Thayer himself shows up on her doorstep. Is he here to get revenge? Or is it possible he already has? If you want to outsmart a crook, learn his tricks—Darrell Huff explains exactly how in the classic *How to Lie with Statistics*. From distorted graphs and biased samples to misleading averages, there are countless statistical dodges that lend cover to anyone with an ax to grind or a product to sell. With abundant examples and illustrations, Darrell Huff's lively and engaging primer clarifies the basic principles of statistics and explains how they're used to present information in honest and not-so-honest ways. Now even more indispensable in our data-driven world than it was when first published, *How to Lie with Statistics* is the book that generations of readers have relied on to keep from being fooled. A dark fantasy Tor.com Original short story from award-winning author Sarah Pinsker, "Two Truths and a Lie" Stella thought she'd made up a lie on the spot, asking her childhood friend if he remembered the strange public broadcast TV show with the

unsettling host she and all the neighborhood kids appeared on years ago. But he does remember. And so does her mom. So why doesn't Stella? The more she investigates the show and the grip it has on her hometown, the eerier the mystery grows. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Name - Sebastian St. George Age - 31 Relationship status - Divorced and Questioning Looking for - Anyone who isn't my ex-wife Biggest regret - Not buying more vodka before I got home Hobbies - Apparently philanthropy... Name - Remington Dockery Age - 27 Relationship status - Single and...very single. Looking for - Someone who doesn't mind that I'm not experienced but still want to be in control Biggest regret - A lifetime of inaction Hobbies - Reading, preserving rare books, reading some more, researching... Sebastian isn't sure if he's interested in men, but he knows he's interested in Remington Dockery. The younger man is awkward but bold, and after calling on Remington for help one afternoon, Sebastian can't stop thinking about him. Remington thinks Sebastian is a mess, but he might be just the kind of man Remington has been waiting for. After a string of e-mails, a lot of money changing hands, and some first-time encounters, Remington and Sebastian are about to find out how complicated and messy love can be. A NATIONAL BESTSELLER From the author of *The Islanders* comes a warm, witty and suspenseful novel filled with small-town secrets, summer romance, big time lies and spiked seltzer, in the vein of Liane Moriarty. Truth: Sherri Griffin and her daughter, Katie, recently moved to the idyllic beach town of Newburyport, Massachusetts. They've been welcomed by Rebecca Coleman, unofficial former leader of the Newburyport Mom Squad, and her teenage daughter Alexa, Katie's new babysitter. Truth: Alexa has time on her hands after a falling-out with her friends involving her popular YouTube channel. Katie can't be left alone because of nightmares that don't jibe with Sherri's vague story about her past. Rebecca Coleman has been spending time with someone she doesn't want people to know about just yet. Lie: There's no new man in Rebecca's life, and it's definitely not one connected to the Mom Squad. Alexa isn't seeing anyone new herself and plans on shutting down her YouTube channel before leaving for college. Sherri Griffin's real name is Sherri Griffin, and a bad divorce is all she's running from. A blend of propulsive thriller and gorgeous summer read, *Two Truths and a Lie* reminds us that happiness isn't always a day at the beach, some secrets aren't meant to be shared, and the most precious things are the people we love. Maeve Conlon's life is coming apart at the seams. Her bakery is barely making ends meet, and one of her daughters spends as much time grounded as the other does studying. Her ex-husband has a new wife, a new baby, and a look of pity for Maeve that's absolutely infuriating. Her father insists he's still independent, but he's slowly and obviously succumbing to Alzheimer's. And now, her cousin Sean Donovan has been found dead, sitting in his car in a public park in quiet Farringville, New York, shot through the head. There was never much love lost between Maeve and Sean and she's not exactly devastated by his death, but suddenly the police are poking around asking the family questions. It's just one more hassle Maeve doesn't have time for, until she realizes that her father, whose memory and judgment are unreliable at best, is a suspect in the murder. Maeve is determined to clear his name, but is she prepared to cope with the dark memories and long-hidden secrets that doing so might dredge up? Maggie Barbieri will mesmerize readers with *Once Upon a Lie*, a gripping novel about family, justice, and the choices we make that define who we are. A group of teens are trapped in an old motel with a murderer in this chilling YA mystery by New York Times bestselling author April Henry. Nell has always wanted to be an actor, but doubts her ability. As a member of her school's theater program, she prefers working backstage. On the way to a contest, an unexpected blizzard strands her acting troupe in a creepy motel. Soon they meet a group of strangers from another high school—including the mysterious and handsome Knox, who insists they play the game *Two Truths and a Lie*. When it's Nell's turn, she draws a slip of paper inked in unfamiliar handwriting: I like to watch people die. I've lost count of how many people I've killed. Suddenly a night of harmless fun turns into a matter of life and death. As guests go missing, it becomes clear that a murderer is hiding in their midst ready to strike again. In a room full of liars and performers, the truth is never quite what it seems. Nell is going to have to act like her life depends on it—because it does. A YA thriller described as *The Curious Incident of the Dog in the Night-Time* meets John le Carré, about a teen math prodigy with an extreme anxiety disorder who finds himself caught in a web of lies and conspiracies after an assassination attempt on his mother. Seventeen-year-old Peter Blankman is a math genius. He also suffers from devastating panic attacks. Pete gets through each day with the help of his mother—a famous scientist—and his beloved twin sister, Bel. But when his mom is nearly assassinated in front of his eyes and Bel disappears, Pete finds himself on the run. Dragged into a world where state and family secrets intertwine, Pete must use his extraordinary analytical skills to find his missing sister and track down the people who attacked his mother. But his greatest battle will be with the enemy inside: the constant terror that threatens to overwhelm him. Weaving between Pete's past and present, *This Story Is a Lie* is a testimony from a protagonist who is brilliant, broken and trying to be brave. We are all taught, early in life, that it is bad to lie. But nobody warns us that some people will ignore this rule—to their benefit, and our detriment. While most of us live by the same moral code, we aren't armed with the tools to deal with the liars who do not. Rather, our brains are hardwired to make it more likely we will believe liars, and fall prey to manipulators. A truth bias makes our brains default to believing everything we hear as true; a trust bias makes our brains default to trusting people; and an authority bias makes our brains more likely to trust people in positions of power, even if we have information that contradicts what that powerful person is saying. In this new book, nationally-recognized workplace researcher Dr. Arin N. Reeves delves into the world of liars, the lies they tell, and the ways in which each of us can be smarter than the lies we encounter, especially in professional environments and public spaces. Among the questions Dr. Reeves addresses in the book: Why do liars lie? Why do they get away with lying? Why do the people around liars enable them, even when they know they are lying? Why is it so hard, and unsatisfying, to confront a liar? How can we fight back against liars and the lies they tell—and how can we win? *Smarter Than A Lie* will help you understand why liars lie, why their lies are effective, why they tend to be surrounded by enablers, and the most effective strategies the rest of us—the ones who still believe it's wrong to tell a lie—can use to counteract liars and overcome their lies. This town has a pretty face and a lot of ugly secrets. Mob bosses, illegal gambling, women of the night, Detective Reeves thought he had seen it all. But when bodies start mysteriously piling up, linked only by an ominous symbol carved into the chests of the victims, Reeves must throw everything he knows out the window and rely on the assistance of his young partners, Detective Mercer and Detective Torne to help make the streets safe once more. The devil is patient. The devil watches. The devil lies. Based on the award-winning web series from writer-director Thomas Moore and adapted with award-winning author Nathan Day, *THE DEVIL'S A LIE* is a dark noir thrill ride that will keep you guessing. Eighth grader Scarlett is boy crazy -- and not just a little boy crazy. We're talking seriously, utterly, completely, 100-percent boy crazy! So much so that her mother, in an effort to curb Scarlett's enthusiasm, ships her off to a prestigious all-girls charter school. Scarlett thinks her life is absolutely over. But what she doesn't know is that her life is about to get absolutely interesting, because on her desk in her dorm room she finds a letter. The letter says it contains four truths and a lie -- and Scarlett's reputation depends on determining which is which.... Maybe an all-girls school isn't so boring after all. At the bidding of a voice on a phone, sixteen-year-old Kari and her friends from Generation Interpol, a spy training facility, race around Europe to fulfill a list of demands, as Kari's brother's life hangs in the balance. NEW YORK TIMES BESTSELLER • From the most successful Republican political operative of his generation, a searing, unflinching, and deeply personal exposé of how his party became what it is today “A blistering tell-all history. In his bare-knuckles account, Stevens confesses [that] the entire apparatus of his Republican Party is built on a pack of lies.” —The New York Times Stuart Stevens spent decades electing Republicans at every level, from presidents to senators to local officials. He knows the GOP as intimately as anyone in America, and in this new book he offers a devastating portrait of a party that has lost its moral and political compass. This is not a book about how Donald J. Trump hijacked the Republican Party and changed it into something else. Stevens shows how Trump is in fact the natural outcome of five decades of hypocrisy and self-delusion, dating all the way back to the civil rights legislation of the early 1960s. Stevens shows how racism has always lurked in the modern GOP's DNA, from Goldwater's opposition to desegregation to Ronald Reagan's welfare queens and states' rights rhetoric. He gives

an insider's account of the rank hypocrisy of the party's claims to embody "family values," and shows how the party's vaunted commitment to fiscal responsibility has been a charade since the 1980s. When a party stands for nothing, he argues, it is only natural that it will be taken over by the loudest and angriest voices in the room. \*The next gripping suspense thriller from Julie Corbin, *Whispers of a Scandal*, is available to pre-order now!\* Teacher versus pupil. It's your word against hers . . . As a school nurse, Anna Pierce is a well-respected and trusted member of the community. So when she is accused of hitting a pupil, the reaction is one of shock and disbelief. The pupil is Tori Carmichael - Anna's mentee and a troubled child known for bending the truth. With her career and reputation on the line, Anna is determined to clear her name. But before she can, the worst happens: Tori is found dead. Suspicion mounts against Anna, who says she didn't do it. But if she isn't the killer, there is someone out there who is . . . Delivering a dark and twisting plot and asking the reader 'What would you do?', this is gripping suspense for fans of *Big Little Lies* and *The Rumour*. Readers are gripped by *A Lie For A Lie* 'Full of secrets, twists, and unexpected answers. I was hooked.' 'Absolutely amazing book! It was the perfect thriller!' 'I cannot recommend it highly enough - a fabulous read.' 'An extremely well written, utterly riveting thriller that had me totally captivated from the very first page. 'A gripping tale of deception, manipulation and judgements that keeps the reader guessing and frantically turning the pages.' 'Julie Corbin works her magic . . . I was gripped by every single page.' 'I'll definitely be recommending it to my other book lover friends. Can't wait to read more by Julie Corbin!' 'A gripping story from the very beginning. Julie Corbin is a new author to add to my "favourite authors" list.' Two Truths and a Lie is a memoir in the form of three solo plays written and performed by Scott Turner Schofield. From inside the often hilarious-but all too real-moments of his young life on the Homecoming Court and Debutante Ball circuit (in a dress), armed with only a decoder ring and a gifted tongue, Schofield comes out with truly unbelievable stories of a body in search of an identity. By turns slapstick and slap-to-the-face, this drama invites audiences and readers to explore gender, sex, sexuality, and self in their own first person. *Somebody Told You a Lie* is a poetic story. The collection consists of nine original poems written during the author's adolescent years. The poems flow throughout the book as a dialogue between a young man and some of his relatives and community members who care about his wellbeing and future. With each encounter he gains knowledge and wisdom that will spark conversations about stereotypes, encourage critical thinking related to identity development and decision-making, and inspire readers to recognize when #issalie! 'The Truth is Longer Than a Lie' provides important insights into children's experiences of abuse & their perception of professional intervention. The authors' promote the emerging child-centred approach to research, which provides children with an opportunity to talk about abuse & its effects on their lives. When does sorrow turn to shame? When does love become labor? When does chance become choice? And when does fact become fiction? EDGAR AWARD FINALIST • A private investigator revisits the case that has haunted her for decades and sets out on a deeply personal quest to sort truth from lies. CLUE AWARD FINALIST • "[A] haunting memoir, which also unfolds as a gripping true-crime narrative . . . This is a powerful, unsettling story, told with bracing honesty and skill."—The Washington Post A New York Times Book Review Editors' Choice • One of Marie Claire's Ten Best True Crime Books of the Year Ellen McGarrah was a young journalist for The Miami Herald in 1990 when she witnessed the botched execution of convicted killer Jesse Tafero: flames and smoke and three jolts of the electric chair. When evidence later emerged casting doubt on Tafero's guilt, McGarrah found herself haunted by his fiery death. Had she witnessed the execution of an innocent man? Decades later, McGarrah, now a successful private investigator, is still gripped by the mystery and infamy of the Tafero case, and decides she must investigate it herself. Her quest will take her around the world and deep into the harrowing heart of obsession, and as questions of guilt and innocence become more complex, McGarrah discovers she is not alone in her need for closure. For whenever a human life is taken by violence, the reckoning is long and difficult for all. A rare and vivid account of a private investigator's real life and a classic true-crime tale, *Two Truths and a Lie* is ultimately a profound meditation on truth, grief, complicity, and justice. In Arras, space and time aren't ideas, they are tangible substances woven together by beautiful girls into the very fabric of reality. The looms that create Arras are as controlled as the Spinsters who work them, ensuring a near idyllic world for the average citizen. But at what price? As an election approaches, a surprise weather forecast and a mysterious stranger hint that not all is as it seems, and a young boy learns that in Arras nothing can be trusted, not even memories. "The Rain is a Lie" is an original short story set in the world of Jennifer Albin's *Crewel*. The next book in the series, *Altered*, is available October 29th. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Ivy and David Rose, happily married high school sweethearts and expecting their first child, are plunged into a growing web of suspicion when a young, pregnant high school classmate disappears and David's past is exposed in this tale of obsession. Boston Detective D.D. Warren faces her most brutal adversaries yet—a class of jaded thriller writers—in this short story from #1 New York Times Bestselling Author Lisa Gardner. Detective D.D. Warren takes on her most intimidating assignment yet: a fifty-minute class meant to educate a horde of bloodthirsty thriller writers on the ways of actual police work. Yet sometimes life really does imitate fiction, as D.D. takes the writers through the reality of one of her most twisted cases—a case that involves a seedy motel room, drugs, prostitution...and a severed leg. With Gardner's trademark suspense, sharp observations, and thrilling storytelling, *Three Truths and a Lie* is a fascinating chapter in D.D.'s storied career. Includes an excerpt of Lisa Gardner's shocking New York Times bestseller *Find Her*. [Now includes a 14-page excerpt from Zari Ballard's new book *Stop Spinning, Start Breathing*] When our committed relationship involves a narcissistic partner or someone with a narcissistic personality disorder, it is inevitable that the experience, at some point, will take a very dark turn. Pathological liars, chronic cheaters, and masters at passive-aggressive punishments (i.e. the silent treatment), narcissists follow a specific relationship agenda where every deceptive move is deliberately calculated to confuse and abuse the people who love them. And, as crazy as it appears, those who love the narcissist will stick it out, thinking they can fix this person or love them out of their bad behavior...but the truth is that neither is possible. Narcissists, psychopaths, and sociopaths can never be fixed - not with love, therapy, and not with any magic pill. I know...because I stumbled down this very path for twelve long years. Do the behaviors of your partner continually cause you to feel suspicious? Are you subjected to silent treatments and other forms of controlling punishments? Do you find yourself choosing to overlook these behaviors rather than face a confrontation? Does your partner appear to create chaos just to keep you feeling anxious and insecure? Are you obsessed with trying to figure it all out? Answering "yes" to any of the above indicates that you may be involved with a narcissistic partner...a person without a conscience...a pretender...someone who is manipulating your life to suit his own purpose. You may even feel an agonizing codependency - not only to the narcissist but to the drama itself - and this, too, is an intention of the narcissist's pathological relationship agenda. When *Love Is a Lie* is a personal, non-clinical narrative that exposes the typical manipulative behavioral patterns of narcissistic partners. Based on my own 12-year experience, this book deliberately offers no excuses for narcissism (medical or otherwise) nor does it encourage readers to cut a narcissistic partner any slack whatsoever. This book is about the reality of the situation, about why we become codependent to the drama, and, most importantly, what we can do about all of it to save our own lives. Learn how/why a lover or partner with a narcissistic personality... can never have - or even pretend to have - the love-worthy human qualities (the undeniable truths!) that make up the beauty of life. can - and probably has - deliberately and methodically managed down your relationship expectations so that you expect less and he gets away with more will use the Silent Treatment and similar demoralizing methods of control to punish those who dare to call him out on questionable behaviors will create chaos even during "good" times as a tactic for keeping you in a constant state of codependent anxiety will juggle many relationships at once and often for years with no one being the wiser...not even you lies even when the truth is a better story Realizing the truth about your narcissistic partner is never easy but it's not the end of the world. Use this book to separate yourself from the narcissistic drama once and for all. \*\*Scroll to the top to order\*\* \*\*Click image at top to Look Inside this book\*\* Three former CIA officers share their techniques for lie detection, outlining methods for identifying deceptiveness as revealed by verbal and non-verbal behaviors from facial expressions and grooming gestures to invoking

religion and using qualifying language. A fresh start. That was what Becca hoped the move from New York to Redemption, Wisconsin would be for her troubled family. A way to get her crumbling marriage back on track, and to bond with her difficult 16-year-old stepdaughter. But instead of a new beginning, Becca is thrust into a mysterious past she barely remembers. A past that includes the complications of interacting with her old teenage crush, Daniel, as well as living in her aunt's old house (what the locals call "The Witch House.") But is the house really haunted? Or is there something far more sinister out to destroy them? From the New York Times bestselling author of the Pucked series comes a romantic comedy about instant attraction, second chances, and not-so-little white lies. The Death of a Lie is a poetic diary which exposes the lies women tell themselves in search of happiness. From childhood to college, Phillitia's unadulterated, primitive-yet complex-words take you through her transformational journey to discover and embrace self-love. Anatomy of a Lie offers a riveting, close-up look at lying, the moral epidemic that affects our faith, our marriages, our children, our relationships, our careers, and every aspect of our lives. With surgical precision, Yale Medical School physician and best-selling author Diane Komp probes the human soul to uncover the causes of our lies -- and the cure. EDGAR AWARD FINALIST • A private investigator revisits the case that has haunted her for decades and sets out on a deeply personal quest to sort truth from lies. CLUE AWARD FINALIST • "[A] haunting memoir, which also unfolds as a gripping true-crime narrative . . . A rare and vivid account of a private investigator's real life and a classic true-crime tale, Two Truths and a Lie is ultimately a profound meditation on truth, grief, complicity, and justice. "This series is so well written that you can not help but fall in love and feel the emotions, the pain, the heartache." ~ Laura, BookBistroBlog Two lies. Two men who don't share. I never stopped loving Cole. Not when he left me. Not when he disappeared for three years. Not when he crashed back into my life in a violent explosion of testosterone and fury. His sudden reappearance questions everything I thought I knew, including how I came to love another man. Trace is an intoxicating breeze of seduction over ice. My rock. My second chance at forever. And he's committed to annihilating the competition. The battle that ensues wrenches me back and forth between them. Fighting and f\*cking. Resisting and submitting. Together, they entangle me in a web of lies, rivalry, and desire that weaves as deeply as their devotion to me. I love two men, and if I can only have one, I choose none. The TANGLED LIES series must be read in order. One is a Promise Two is a Lie Three is a War Contains: love triangle, angst, suspense, music, dance, alpha, dominate, submissive, series, trilogy, romance, billionaires, sports, military Presents an analysis of the lying behavior of political leaders, discussing the reasons why it occurs, the different types of lies, and the costs and benefits to the public and other countries that result from it, with examples from the recent past. Crazy-but-true stories about the natural world make this acclaimed nonfiction series perfect for fans of curiosities and wonders—and anyone looking to explore ways to separate fact from fiction. This nonfiction chapter book is an excellent choice to share during homeschooling, in particular for children ages 7 to 9 who are reading independently. It' Did you know that too many fidget spinners spinning in the same direction could have an adverse effect on Earth's gravitational field? Or that the remains of a deceased loved one can be turned into a diamond? Or that the loudest known sound in history was made by a volcanic eruption in 1883, with the echoing blast circling the planet more than three times? Welcome to Two Truths and a Lie: Forces of Nature! You've heard of the game: Every story in this book is strange and astounding, but one out of every three is an outright lie. Picking out the fakes isn't as easy as you think, however. Some false stories are based on truth, and some of the true stories are just plain unbelievable! Don't be fooled by the photos that accompany each story—it's going to take all your smarts and some clever research to ferret out the truth. From a man who gave himself an appendectomy to radio signals from other planets to eagles that have been trained to take out spy drones, the stories in this third installment in the Two Truths and a Lie series will amaze you! Just don't believe everything you read. . . .
